*For Ivy Tech, projected Headcount and projected FTE is the initial fall census enrollment (taken during the first 8-week term) plus the students who were not enrolled at the time of the census but are projected to start during the second 8-week term. 1yr and 5yr changes are based on census numbers and not projections.

Note: Trends may be impacted by Ivy Tech's realignment of campus structure.

*For Ivy Tech, projected Headcount and projected FTE is the initial fall census enrollment (taken during the first 8-week term) plus the students who were not enrolled at the time of the census but are projected to start during the second 8-week term. 1yr and 5yr changes are based on census numbers and not projections.

Note: Trends beginning in Fall 2018 and beyond may be impacted by structural changes to IPFW (shifting of health programs to IU) and Ivy Tech's realignment of campus structure.
