## HIGH SCHOOL GRADUATE ACADEMIC PREPAREDNESS PROFILE

### Socioeconomic Status

Sources: Indiana Department of Education and Indiana Commission for Higher Education

**Notes:**

- Data represent the academic preparedness profile of the statewide high school cohort population.
- ACT data are unavailable after the 2014 cohort; as such, data for the college entrance exam profile were presented for the 2014 cohort to show the full picture of college entrance exam success among Indiana high school graduates.
- % Met Benchmark - represents the % of students who passed/did not pass at least one college readiness benchmark score established by the testing agencies. For the 2014 HS Cohort, SAT benchmarks are 500 for both the Critical Reading and Mathematics sections. For the 2014 HS Cohort, ACT benchmarks are 18, 22, 22, and 23 for the English, Mathematics, Reading, and Science sections, respectively.
