

ITCC Guaranteed Admission Initiative

Russ Baker

Vice President for Academic Affairs

ITCC Guaranteed Admission Initiative

The 2013 legislation that created transfer single articulation pathways was transformational for higher education transfer in Indiana. We believe that guaranteed admission will take Indiana to the “next level” by removing uncertainty for students, parents, and other stakeholders and by giving students a stronger incentive to excel academically while earning their associate degree.

ITCC Guaranteed Admission Initiative

Relevant Information

- The initiative was entirely voluntary and collaborative. All state-supported institutions were invited to participate, but no one was coerced
- All state-supported institutions participated, including WGU and Purdue Global. Agreements are complete with most institutions; two are in progress
- Four-year institutions could determine which programs they wished to include
- Number of programs included per campus range from 3 to nearly 20. TSAP programs were typically selected first, but some campuses chose additional non-TSAP programs

Guaranteed Admission Agreements by School and Program

- [GAA by School and Program](#)

ITCC Guaranteed Admission Initiative

Next Steps

- We will collaborate with four-year partners to identify additional bachelor's programs covered by GA
 - Many of these will be likely be in TSAP areas, but guaranteed admission is not limited to TSAP programs
- In 2020-21, we are initiating conversations with ICI schools and anticipate several will participate
