

# Next Generation Hoosier Educators Scholarship Eligible Indiana Schools

Recipients of the Next Generation Hoosier Educators Scholarship must teach full-time for at least five (5) years at an **eligible Indiana school** after graduating with a baccalaureate degree or **repay** the corresponding, prorated amount of the scholarship.

[Indiana Code 21-12-16-5](#) defines an eligible Indiana school as a public school or an eligible school as defined in [Indiana Code 20-51-1-4.7](#). A recipient is not required to teach at the same school for all five years.

## Eligible Public Schools

A recipient may complete their service requirement by teaching full-time at any public elementary, middle or high school in Indiana.

## Eligible Non-Public Schools

A recipient may complete their service requirement at a non-public school as long as the school meets the definition of an eligible school outlined in Indiana Code 20-51-1-4.7. The list of non-public schools in which a recipient may complete their service requirement can be found [here](#). This list is updated annually.
