Mayor Naselroad advised the Board to the need for consideration of disconnecting the trailer park community known as Park Place due to non-payment of their utility bill. After much discussion to how the city had tried to work with the utility customer/owner, the Board discussed how to explore assisting the residents of the community during this time. Discussions were then had to the legal process that needed followed with service disconnection should the Board decide. The Board extended specific negotiation parameters for Darcy VanErman to operate within when working with the customer/owner. With the letter being dated for August 11, 2025, if resolution is not found, services will be disconnected effective August 25, 2025. Todd Naselroad motioned for the Board to send disconnection letter, grant Darcy authority to negotiate and enter into a six month repayment agreement once no less than \$50,000.00 is received towards the past bill.
