Wastewater Treatment Plant – Eberle Electric Quote

Wastewater Superintendent Ben Glowinski provided a quote from Eberle Electric to provide and install Blower #3 VFD replacement. He stated that the VFD are what control and run the blowers for the mix liquor tank. The new blowers cannot run without the new VFD. This was not included in the project and will come from the WWTP budget for a total of \$15,985.00.

Alliance of Indiana – Apprenticeship Program for Water and Wastewater Employees

We have been working with Kelly Gardner of Alliance of Indiana regarding an apprenticeship program for our new Water and Wastewater employees to become certified plant systems operators. The program includes four stages with on-the-job training and related technical instruction with a satisfactory evaluation from the mentor and program sponsor at each stage. At the end of each successfully completed stage, the employee then receives a wage increase based on the schedule set forth in the agreement. The agreement was available for board approval.

Motion to approve: Earle Franklin Second: Tom Janes Vote: All Ayes

Comments by Members of Council and Administration

Fire Chief Jeremy Weaver

- Breakfast with Santa is on December 7, 2024 at the Fire Station.

WWTP Superintendent Benjamin Glowinski

- Project is in full swing. Walls are up and painted and floors in the lab are getting done. We hope to move into the lab in the middle of December. We are scheduled to be completed on time.

Building Inspector Elroy Mast

- Family Express is expected to start their project next week.
