### **Department Heads and Members of Administration**

WWTP Dept Manager Mark Schultz: Schultz updated the BOW on recent happenings at the WWTP. McKibben will have the sewer line completed by 3/1/11. Hach was in for software training which went well. He presented an informational sheet to the members regarding sludge disposal costs and estimated yearly savings of approximately 30,000 to do land application. While there are start up costs, he feels the savings will be worth it. There was further discussion but the Board decided to table the issue to the next meeting so they are able to further review Schultz's information.

Clerk-Treasurer Barb Hawn: The CTAR report for the City for 2010 was completed and sent to the SBOA on February 17, 2010.

Mayor Fisel: City Engineer Rick Pharis was able to obtain a copy of Goshen, Indiana's ordinance book with regard to Utilities. This will be helpful to review and compare the City's practices and rates.

Prospective industries have made contact regarding locating to Ligonier. With the help of Rick Pharis, FAQ sheets will be put together showing the capabilities of the City with regard to utilities and capacity.

### **Adjournment**

As there was no further business brought before the Board, motion to adjourn by: Tom Janes
