Dear Ms. Hawn:

As you are aware, Baker Tilly Municipal Advisors, LLC (successor to H.J. Each year, the Firm confirms its engagement for continuing disclosure services. For 2020, the new engagement letter is attached. This engagement will cover the preparation of the annual reporting for the period ended December 31, 2019 (the "Annual Reporting") as well as other filings required under your continuing disclosure agreements, such as reportable events and audit filings. Re: City of Ligonier (Indiana) – Proposed Continuing Disclosure Services

Dear Ms. Hawn:

Thank you for requesting that Baker Tilly Municipal Advisors, LLC (the "Firm") provide to City of Ligonier (the "Client") those services more fully set forth in Exhibit A hereto (the "Services").

Fees and Costs

Fees charged for work performed are generally based on hourly rates, as set forth in Exhibit B, for the time expended, a fixed amount or other arrangement as mutually agreed upon as more appropriate for a particular matter. Hourly rates for work performed by our professionals vary by individual and reflect the complexity of the engagement.

Disclosure of Conflicts of Interest with Various Forms of Compensation

The Municipal Securities Rulemaking Board (MSRB) requires us, as your municipal advisor, to provide written disclosure to you about the actual or potential conflicts of interest presented by various forms of compensation. Exhibit C sets forth the potential conflicts of interest associated with various forms of compensation. By signing this letter of engagement, the signee acknowledges that he/she has received Exhibit C and that he/she has been given the opportunity to raise questions and discuss the matters contained within the exhibit with the municipal advisor.

Billing Procedures

Normally, you will receive a monthly statement showing fees and costs incurred in the prior month. Occasionally, we may bill on a less frequent basis if the time involved in the prior month was minimal or if arrangements are made for the payment of fees from bond proceeds. The account balance is due and payable on receipt of the statement. Once our representation has been concluded or terminated, a final billing will be sent to you. If requested to provide an estimate of our fees for a given matter, we will endeavor in good faith to provide our best estimate, but unless there is a mutual agreement to a fixed fee, the actual fees incurred on any project may be less than or exceed the estimate. Any questions or errors in any fee statement should be brought to our attention in writing within sixty (60) days of the billing date.

Termination

Both the Client and the Firm have the right to terminate the engagement at any time after reasonable advance written notice. On termination, all fees and charges incurred prior to termination shall be paid promptly. Unless otherwise agreed to by the Client and the Firm, the scope of services provided in Exhibit A will terminate 60 days after completion of the services in each Article.

Accountants' Opinion

In performing our engagement, we will be relying on the accuracy and reliability of information provided by Client personnel. The services provided may include financial advisory services, consulting services, and accounting report services such as compilation, preparation, and agreed upon procedures reports. Please see Exhibit A. We will not audit, review, or examine the information. Please also note that our engagement cannot be relied on to disclose errors, fraud, or other illegal acts that may exist. However, we will inform you of any material errors and any evidence or information that comes to our attention during the performance of our procedures that fraud may have occurred. In addition, we will report to you any evidence or information that comes to our attention during the performance of our procedures regarding illegal acts that may have occurred, unless they are clearly inconsequential. We have no responsibility to identify and communicate significant deficiencies or material weaknesses in your internal control as part of this engagement.

The procedures we perform in our engagement will be heavily influenced by the representations that we receive from Client personnel. Accordingly, false representations could cause material errors to go undetected. The Client, therefore, agrees to indemnify and hold us harmless for any liability and all reasonable costs (including legal fees) that we may incur in connection with claims based upon our failure to detect material errors resulting from false representations made to us by any Client personnel and our failure to provide an acceptable level of service due to those false representations.

The responsibility for auditing the records of the Client rests with the Indiana State Board of Accounts and the work performed by the Firm shall not include an audit or review of the records or the expression of an opinion on financial data.

Client Responsibilities

It is understood that the Firm will serve in an advisory capacity with the Client. The Client is responsible for management decisions and functions, and for designating an individual with suitable skill, knowledge or experience to oversee the services we provide. The Client is responsible for evaluating adequacy and results of the services performed and accepting responsibility for such services. The Client is responsible for establishing and maintaining internal controls, including monitoring ongoing activities.

Additional Services

Exhibit A sets forth the scope of the Services to be provided by the Firm. From time to time, additional services may be requested by the Client beyond the scope of Exhibit A. The Firm may provide these additional services and be paid at the Firm's customary fees and costs for such services. In the alternative, the Firm and the Client may complete a revised and supplemented Exhibit A to set forth the additional services (including revised fees and costs, as needed) to be provided. In either event, the terms and conditions of this letter shall remain in effect.

E-Verify Program

The Firm participates in the E-Verify program. For the purpose of this paragraph, the E-Verify program means the electronic verification of the work authorization program of the Illegal Immigration Reform and Immigration Responsibility Act of 1996 (P.L. 104-208), Division C, Title IV, s.401(a), as amended, operated by the United States Department of Homeland Security or a successor work authorization program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work authorization status of newly hired employees under the Immigration Reform and Control Act of 1986 (P.L. 99-603). The Firm does not employ any "unauthorized aliens" as that term is defined in 8 U.S.C. 1324a(h)(3).

Breach of this covenant may be regarded as a material breach of this Agreement.

Baker Tilly Municipal Advisors, LLC further certifies that any affiliate or principal of Baker Tilly Municipal Advisors, LLC and any agent acting on behalf of Baker Tilly Municipal Advisors, LLC or on behalf of any affiliate or principal of Baker Tilly Municipal Advisors, LLC, except for de minimis and non-systematic violations, has not violated the terms of I.C. 24-4.7 in the previous three hundred sixty-five (365) days, even if I.C. 24-4.7 is preempted by federal law, and will not violate the terms of I.C. 24-4.7 for the duration of the Agreement, even if I.C. 24-4.7 is preempted by federal law.

The offer and sale of any Bonds shall be made by the Client, in the sole discretion of the Client, and under its control and supervision. The Client agrees that the Firm does not undertake to sell or attempt to sell the Bonds and will take no part in the sale thereof.

Mediation Provision

The Client and the Firm agree that if any dispute (other than our efforts to collect any outstanding invoice(s)) arises out of or relates to this engagement, or any prior engagement we may have performed for you, and if the dispute cannot be settled through informal negotiation, the parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Procedures (or such other administrator or rules as the parties may mutually agree) before resorting to litigation. The parties agree to engage in the mediation process in good faith once a written request to mediate has been given by any party to the engagement. Any mediation initiated as a result of this engagement shall take place in Indianapolis, Indiana, or such other location as the parties may mutually agree. If the parties are unable to mutually agree on the selection of a mediator, the mediator shall be determined in accordance with the American Arbitration Association's Commercial Mediation Procedures.

The results of any such mediation shall be binding only upon a written settlement agreement executed by each party to be bound. Each party shall bear its own costs and fees, including attorneys' fees and expenses, in connection with the mediation. The costs of the mediation, including without limitation the mediator's fees and expenses, shall be shared equally by the participating parties. EXHIBIT C

Disclosure Statement of Municipal Advisor

PART A – Disclosures of Conflicts of Interest

MSRB Rule G-42 requires that municipal advisors provide to their clients' disclosures relating to any actual or potential material conflicts of interest, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable. If no such material conflicts of interest are known to exist based on the exercise of reasonable diligence by the municipal advisor, municipal advisors are required to provide a written statement to that effect.

Material Conflicts of Interest – The Firm makes the disclosures set forth below with respect to material conflicts of interest in connection with the Scope of Services under this Agreement, together with explanations of how the Firm addresses or intends to manage or mitigate each conflict.

General Mitigations – As general mitigations of the Firm's conflicts, with respect to all of the conflicts disclosed below, the Firm mitigates such conflicts through its adherence to its fiduciary duty to Client, which includes a duty of loyalty to Client in performing all municipal advisory activities for Client. This duty of loyalty obligates the Firm to deal honestly and with the utmost good faith with Client and to act in Client's best interests without regard to the Firm's financial or other interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

- I. **Affiliate Conflict.** BTIS, an affiliate of the Firm (the "Affiliate"), has or is expected to provide certain advice to or on behalf of Client that is directly related to the Firm's activities within the Scope of Services under this Agreement. In particular, providing advice to Client regarding investment of bond proceeds. The Affiliate's business with Client could create an incentive for the Firm to recommend to Client a course of action designed to increase the level of Client's business activities with the Affiliate or to recommend against a course of action that would reduce or eliminate Client's business activities with the Affiliate. Furthermore, this potential conflict is mitigated by the fact that the Affiliate is subject to its own comprehensive regulatory regime as a registered investment adviser with the Securities and Exchange Commission under the federal Investment Advisers Act.
- II. **Compensation-Based Conflicts.** The fees due under this Agreement are in a fixed amount established at the outset of the Agreement. The amount is usually based upon an analysis by Client and the Firm of, among other things, the expected duration and complexity of the transaction and the Scope of Services to be performed by the Firm. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, the Firm may suffer a loss. Thus, the Firm may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. This conflict of interest is mitigated by the general mitigations described above.
- III. **Other Municipal Advisor Relationships.** The Firm serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of Client. For example, the Firm serves as municipal advisor to other municipal advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to Client under this Agreement. These other clients may, from time to time and depending on the specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, the Firm could potentially face a conflict of interest arising from these competing client interests. This conflict of interest is mitigated by the general mitigations described above.

EXHIBIT C

Disclosure Statement of Municipal Advisor (cont'd)

PART B – Disclosures of Information Regarding Legal Events and Disciplinary History

MSRB Rule G-42 requires that municipal advisors provide to their clients' certain disclosures of legal or disciplinary events material to its client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, the Firm sets out below required disclosures and related information in connection with such disclosures.

- I. **Material Legal or Disciplinary Event.** There are no legal or disciplinary events that are material to Client's evaluation of the Firm or the integrity of the Firm's management or advisory personnel disclosed, or that should be disclosed, on any Form MA or Form MA-I filed with the SEC.
- II. **How to Access Form MA and Form MA-I Filings.** The Firm's most recent Form MA and each most recent Form MA-I filed with the SEC are available on the SEC's EDGAR system at <http://www.sec.gov/cgi-bin/browse-edgar?action=getcompany&CIK=0001616995>.
- III. **Most Recent Change in Legal or Disciplinary Event Disclosure.** The Firm has not made any material legal or disciplinary event disclosures on Form MA or any Form MA-I filed with the SEC.

PART C – Future Supplemental Disclosures

As required by MSRB Rule G-42, this Disclosure Statement may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest or changes in the conflicts of interest described above, or to provide updated information with regard to any legal or disciplinary events of the Firm. The Firm will provide Client with any such supplement or amendment as it becomes available throughout the term of the Agreement.

PART D – Rule G-10: Investor and Municipal Advisory Client Education and Protection

MSRB Rule G-10 requires that municipal advisors to notify their clients of the availability of a client brochure on the MSRB's website that provides information on the processes for filing a client complaint.

Accordingly, the Firm sets out below the required information.

- I. The Firm is registered as a Municipal Advisor with the Securities and Exchange Commission (867-00880) and the Municipal Securities Rulemaking Board (K1027).
- II. The website address for the Municipal Securities Rulemaking Board is www.msrb.org.
- III. The website for the Municipal Securities Rulemaking Board has a link to a brochure that describes (i) the protections that may be provided by the Municipal Securities Rulemaking Board rules and (ii) describes how to file a complaint with an appropriate regulatory authority.

DATE: March 7, 2022

This Scope Appendix is attached by reference to the above named engagement letter (the "Engagement Letter") between City of Ligonier Redevelopment Commission (the "Client") and Baker Tilly US, LLP and relates to services to be provided by Baker Tilly Municipal Advisors, LLC.

SCOPE OF WORK

Baker Tilly Municipal Advisors, LLC ("BTMA") will perform the following services:

Continuing Disclosure Services

Upon receipt of written authorization by the Client to proceed, BTMA shall, based on information supplied by Client, provide continuing disclosure services with respect to specified Debt Obligations for the period of time designated for any such Debt Obligation.

In carrying out its duties, BTMA shall do the following:

1. Preparation and filing of annual reporting

BTMA will provide a list of each issue for which the Client requires continuing disclosure services ("Services"). The Client will provide BTMA with a copy of each Continuing Disclosure Undertaking ("CDU") that has been executed for each debt obligation, including master and supplemental CDUs if any.

BTMA will:

- Identify the Client's reporting obligations, compile and prepare, as needed, any necessary operating data, and file any required annual report and financial statements, including the audit if available, as provided for in each CDU for the reporting period;
- Provide to the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access System ("EMMA"), the annual information required under each respective CDU;
- Provide additional reporting to purchasers, as set forth in bond documents or private agreements; and
- If not filed at the time of the annual report, file the audit as set forth in the CDU pending timely receipt from the Client.

2. Assistance filing reportable events on EMMA

Upon notification of one of the events listed as set forth in each CDU (collectively, Reportable Events), BTMA will assist the Client with filing any Reportable Events. Most Reportable Events are required by the Rule to be filed within ten business days of the occurrence. Client will notify BTMA as soon as possible when they believe a reportable event has or may have occurred to enable BTMA to file a timely notice on EMMA. It is the Client's sole responsibility to notify BTMA of the potential occurrence of a Reportable Event.

3. Five-year Compliance Check

- A. At the time any Debt Obligations subject to the Rule are issued, the Client must disclose in its official statement any instances in the past five years it failed to comply, in all material respects, with any previous undertakings for bonds which were subject to the Rule. BTMA will:
- Compile reporting requirements for any bonds that were outstanding during the five-year period;
 - Assess the filings made on EMMA in conjunction with each applicable bond issue;
 - Research whether any bonds with an assigned rating changed during the look-back period, including rating changes for insured bonds; and
 - Determine whether all required notices related to events and filings were made in compliance with the CDUs.

B. Remedying Deficiencies for Outstanding Bonds

If a deficiency is found and the bonds remain outstanding at the time of BTMA's compliance check, BTMA will prepare any necessary reporting or notices to meet the CDU obligations. BTMA will provide the Client with documentation that the EMMA filing has occurred.

C. Updating Compliance.

At the time that BTMA conducts services annually under item I, BTMA will update the compliance check completed under 3.A.

4. EMMA Issuer Homepage (Upon request. Hourly rates will apply.)

BTMA will assist the Client on the creation of an Issuer Homepage on EMMA where Client and related entity filings may be shown. The Client will have the option to review the Homepage and provide additional information related to the Client.

5. Other post issuance services (Upon Request. Hourly rates will apply.)

If requested, BTMA will provide to the Client other post issuance services including, but not limited to, consultation related to disclosure operating procedures, post issuance policies and procedures, and debt management.

6. Rating surveillance support (Upon Request. Hourly rates will apply.)

If applicable for rated outstanding bonds, BTMA will assist with compiling responses to rating agency requests for data and information during the rating surveillance process. BTMA will also participate on rating surveillance calls and provide additional support as needed.
