▪ **Noble County Incumbent Workers Training**

Rick Sherck of the Noble County EDC was present to ask council to consider a \$5,000 per year for three years donation from the city's CEDIT funds for an incumbent workers program. Current the training is funded by grants, which may not continue. The city's donation along with funding from other Noble County entities would fund the program in the event grant funding ends. The Noble County EDC would hold the donations for use if necessary.

After lengthy discussion and questions, council was not comfortable providing the funds at this time and preferred that Sherck come back and request funding at the time of actual need.

*Motion to table: Ken Schuman*

*Second Kelly Ware*

*Vote: All Ayes*

▪ **Ordinance 863-2015 (KRDH Annexation) and Ordinance 864-2015 (Pizana Annexation)**

The first reading of each ordinance was held on March 9, 2015. As the public hearing was held today, there is a 30 day waiting period to pass the ordinances. After discussion, it was suggested that second June council meeting be postponed one week, to June 29, 2015 to allow for the 30 day waiting period.
