Comments by Members of Council and Administration

Fire Chief Jeremy Weaver

- Breakfast with Santa is this Saturday, December 2 at the fire station from 7-11.

Street Superintendent Mike Burdette

- Thanks to the Sewer Department staff for helping put the Christmas decorations up today.
- Still picking up leaves. Hope to be done by Friday.

Water Superintendent Jeff Boyle

- The water project will begin soon.
- Windows have been broken out of the Curto building. Have been replacing the glass with no break plastic and finished today. Thanks to the Sewer Department staff for helping to finish installation.

WWTP Superintendent Kenny Sprague

- Waiting on plugs for the vactor truck and then it will back out.

Mayor Fisel’s Comments

- Forest River purchased 50 acres from LIDC in the Industrial Park. The LIDC still has about 58 acres. The City’s RDC has around 31 acres. Some, but not all the remaining acreage can be developed.
- There has been some interest in the Coussen property which was annexed. Granite Ridge is interested in acreage for housing. Goodwill may be interested in putting a store in. If anyone knows of someone looking for property to develop let the Mayor know and she will get them in contact with Mr. Coussen.
- The county housing study is going forward. Purdue is preparing the report for the county.
