Comments by Members of Council and Administration

Police Chief/Public Safety Director Bryan Shearer

- Have parties interested in allowing UTV's in the city. Would need to set rules similar to the golf carts.

Park Director Travis Brimhall

- Soccer ended on Saturday. Baseball practice starts tonight.
- Splash Pad opens this weekend.
- The grills came in and need to be installed.
- Disc golf tournament is this weekend with pork burger sales by the Fire Dept.

IT/Facilities Director Gary Cox

- AV Project is now complete, and everything is working.

Council Member Bill Mills

- A friend would like us to reconsider golf carts on the trail.
The trail was set up to be a bike and walking path and not for motorized vehicles. There were people using golf carts before the signs were installed. Grant funds were used for the trail. We believe grant funds would not allow the motorized vehicles. Will check into it.

City Attorney Steve Clouse

- Ordinance for rezoning will be ready for the next meeting.

Mayor Fisel's Comments

- Closing on the property at Sixth and Martin Street was last week.
- Lots of good things happening in the city. We live in a great community.
