Review of design ideas for the new fountain at Triangle

Jason Becker of Countryscapes presented several ideas for design. The photos presented can be mixed and matched for a custom fountain. The sizes of the basins can be sized

Jason Becker of Countryscapes presented a variety of photos of fountains for review. He explained that we can take different aspects from the examples and put them together for a custom fountain. This may take several meetings and rather than have full council meet each time, an advisory committee was appointed. The following were appointed to the advisory committee: Chris Fought, Matt Kreager, Barb Hawn, David Cisney, and Chera Nelson Herrera. The advisory committee will bring suggestions for the design of the fountain back to council for approval no later than the April 10, 2023 meeting.

Motion to establish an advisory committee of Dave Cisney, Chris Fought, Barb Hawn, Matt Kreager, and Cherra Herrera to report back to the council not later than the meeting of April 10, 2023 : Ken Schuman
