Dear Ligonier Parks and Recreation Board:

As you may have heard, the Ligonier Public Library is in the process of renovating and building on to the 105 year old structure located on Main Street. The temporary location has enough room for normal library programs but does not have the space to hold our Summer Reading Program. We usually have over a hundred people attend our weekly programs which focus on reading. This year's theme is Fizz! Boom! Pop! We are writing to ask that you consider allowing the library to use the Petit Park Pavilion and Park on Friday mornings starting June 13-July25. We will not be meeting July 4th. Please help us help the community. We thank you for your consideration.

Many Thanks,

Angela Scott

Program Coordinator
