

Ligonier Park Board Special Meeting – Monday March 11, 2019
5:00pm – Ligonier Sports & Recreation Center

Board Members Present:

Brian Hite, Gary Byers, Kathy Hagen, Matt Kreager, Josh Vargas, Rolando Banda
Administration: Mayor Fisel, Alan Duncan

Citizens: Rec Center members and citizens

The meeting was called to order by board president Brian Hite

The board along with Mayor Fisel met to discuss revising the Park Director job description. Changes would include no requirement for a four year degree or other park related degrees. A certification in parks and recreation would be acceptable provided the state board would allow them to make that amendment. The proposed candidate would have to be enrolled and consistently working toward that certification. The applicants salary would be increased following their acquiring of the certification. The applicant would have a time frame in order to complete the certification program. Vargas made a motion to amend the job description to allow only a park certification providing the state board allows the change and approves. Second by Hagen. All ayes.

Mayor Fisel provided the board with two applications that she would like them to consider. Hagen asked if she could provide the board with other applications that had been received that the board could review. The Mayor agreed to her request.

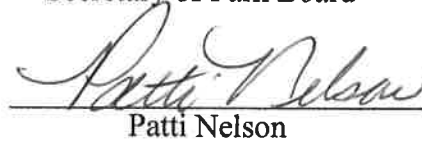

The meeting was adjourned at 5:30pm. Motion by Kreager second by Banda. All ayes.
