Citizens Comments

Mark Stout – 205 West Second St: The Mill is making the same loud sound as a few months ago. Sunday it was so loud he had to sleep in his basement, and he could still hear it. Bryan Shearer said he noticed it has been louder lately. He will contact the Mill to see what can be done.

New Business

City Website - Current Site Move to State Hosting

Clerk-Treasurer Barb Hawn prepared a memo to Council Members regarding the move approved by council last fall to a state hosted website. It outlined some of the advantages of the state site, the new URL, and some of the planned additions.

Mayor Fisel provided a quote for a new website from Lori Gagen. She stated the item was to be on the March 28, 2022 agenda rather than today. She proposed we table the topic so that Lori Gagen can be at the meeting to explain the website and cost.

Comments by Members of Council and Administration

Fire Chief Jeremy Weaver

- The new fire station is getting closer to being finished. Certain pieces of the new furniture were delivered. The volunteers worked to put it all together. We will be participating in the statewide tornado siren test tomorrow at 10:15 am.

WWTP Superintendent Kenny Sprague

- Today was a challenge with a big sewer issue at Ruth Stultz Nursery School. Being short-handed makes the issue more difficult.

Mayor Fisel's Comments

- Mayor Fisel gave an update on the EDA grant for Pennington Way that will be submitted by the end of the month. We are collaborating closely with Baker Tilly on the grant.
