Evidence-Based Programs

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome(s), including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal

ICJI staff conduct a risk assessment of all applicants; the proposed applications will be scored by a panel and eligible applications presented to the Youth Subcommittee of the ICJI Board of Trustees for consideration. **Incomplete applications will not be scored or considered for funding.** The subcommittee will make recommendations for funding and present recommendations to the ICJI Board of Trustees. Successful applicants will be notified via email of their award within 72 hours via of approval by the ICJI Board of Trustees. Upon notification of their award, applicants must provide a statement of acceptance of the award within 10 days.

Failure to respond and accept the award may result in the withdrawal of the grant award at ICJI's discretion.

Award Period

The award period for 2021 Title II grants shall be January 1, 2021 – December 31, 2021. Projects should begin on January 1, 2021 and must be in operation no later than 45 days after January 1, 2021. Failure to have the funded project operational within the time allotted may result in the cancellation of the grant and de-obligation of awarded funds. Projects must conclude no later than December 31, 2021. Funding obligations must be made prior to December 31, 2021, project income must be spent, all outstanding expenses must be paid, and the Final Financial Report submitted via IntelliGrants within 30 days from December 31, 2021 (grant end date). **All program activity must be completed by the end of the approved award period. ***This includes but is not limited to a program awarded funding for the purchase and utilization of equipment. All grant funded equipment must be purchased, installed, and operational by the end of the award period. Ordering of equipment by the grant end date (without it being installed and operational) will result in the awarding agency not providing reimbursement of purchased items. Additionally, the state will not approve extension requests solely for this purpose and the subrecipient will be required to de-obligate any related funds.

Monitoring and Programmatic Reporting

All grant awards will be monitored by a program/grant manager utilizing desk reviews and site visits. **Risk Assessments will be conducted with a standardized tool on all programs throughout the grant period and will be used in consideration of grant monitoring.** Additionally, the program manager will review all submitted reports for timeliness and accuracy. Delinquencies and report content will be addressed as needed, which may include change requests.

Monitoring

[2 C.F.R. Part 200](#) and the [DOJ Grants Financial Guide](#) set forth monitoring requirements whereby the State must establish and carry out a process of assessing the progress of projects and programs that are funded, in whole or in part, by federal funds. This monitoring function measures both financial and programmatic progress. It also provides an opportunity for technical assistance to the Applicant, measures compliance, builds partnerships for success, and provides results-based feedback to the Applicant. The State will monitor all grant awards via an ICJI Program Manager and/or ICJI Compliance Monitoring Team. As part of the monitoring process, the ICJI Program Manager will review all reports submitted by the grantee for accuracy within 15 days, timeliness, completeness, etc. The State will conduct on-site or off-site monitoring reviews of the Project during the term of the grant agreement and for up to three (3) years after it expires or is otherwise terminated. At the request of the State, any and all documentation related to the grant shall be provided at no cost. If the Applicant fails to cooperate with the State's monitoring process, the State may consider such non-cooperation as a material breach.

Delinquent, inaccurate, incomplete, or fraudulent reports will be considered a material breach of contract by ICJI. ICJI's remedies include, but are not limited to, identifying the

grantee as high risk, de-obligated funding, termination of the grant agreement, or disqualification from future funding, and referral to the federal Office of Inspector General. The recipient agrees to comply with any additional requirements that may be imposed during the grant performance period if the State determines that the recipient is a high-risk Applicant or Grantee pursuant to [28 C.F.R. parts 66, 70](#).

Reporting

Reporting requirements are included in both [2 C.F.R](#) and [28 C.F.R](#). Reporting to the State shall be completed on a quarterly basis via IntelliGrants. In addition, the subgrantee is required to submit reports to the U.S. Department of Justice, [Office of Justice Programs’ Performance Measurement Platform](#), commonly referred to as DCTAT/PMT. Failure to submit any report in a timely fashion may be considered a material breach, at the discretion of the State.

- ***IntelliGrants Reporting***

Title II subgrantees are required to submit quarterly programmatic and fiscal reports via the IntelliGrants system. Your Grant Manager will then approve or deny these reports; each programmatic and fiscal report must be approved to initiate reimbursement.

- ***DCTAT Reporting***

Title II subgrantees are required to submit quarterly programmatic reports via the OJJDP’s Performance Reporting Tool (DCTAT). Additional information and assistance on the updated measures may be found at <https://www.ojjdp.gov/grantees/pm/faq.html>. The DCTAT/PMT reporting system can be accessed at <https://ojpssso.ojp.gov/>. Additional quarterly performance measures, narrative reports, and financial reports should be submitted as directed into INtelliGrants.

Additional report requirements are subject to change at any time.

- The Applicant becoming ineligible for this grant funding opportunity;
- Requiring repayment of any grant funds already received;
- The de-obligation of grant funds; and
- The material breach becoming a factor in the scoring process for future grant applications.

Furthermore, the Applicant may not obligate, expend or draw down grant funds until the Federal Office of the Chief Financial Officer notifies the State that the grant has been awarded to Indiana. The State shall not reimburse an Applicant for expenditures outside the grant period of performance. This includes expenditures made before the execution of the grant.

Pursuant to [2 C.F.R. Part 200](#), all applicants are required to establish and maintain grant accounting systems and financial records and have or develop a system of internal controls to accurately account for funds awarded to them.

The Applicant understands and agrees that it cannot use federal funds from different funding sources for one or more of the identical cost items, in whole or in part. If this scenario presents itself, the Applicant must contact the ICJI program manager in writing and refrain from the expenditure, obligation, or drawn down of any federal funds awarded from ICJI concerning the identical cost items.

Ensuring Equal Treatment for Faith-Based Organizations

Faith-based organizations are prohibited from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by this grant, and recipients cannot compel beneficiaries to participate in these activities. The Equal Treatment Regulation also makes it clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of the beneficiary's religion. For more information on the regulation, please see the Office of Civil Rights (OCR) website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

Faith-based organizations should also note that the [Omnibus Crime Control and Safe Streets Act \(Safe Streets Act\) of 1968](#), as amended, [42 U.S.C. § 3789\(c\)](#); the [Victims of Crime Act of 1984](#), as amended, [42 U.S.C. § 10604\(e\)](#); the [Juvenile Justice and Delinquency Prevention Act of 1974](#), as amended, [42 U.S.C. § 5672\(b\)](#); and the [Violence Against Women Act Reauthorization Act of 2013](#), Pub. L. no. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at [42 U.S.C. § 13925\(b\)\(13\)](#)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the [Religious Freedom Restoration Act \(RFRA\)](#) on a case-by-case basis to permit some faith-based organizations to receive DOJ funding while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under

[Title VII of the Civil Rights Act of 1964](http://www.ojp.usdoj/about/ocr/pdfs/UseofConviction_Advisory.pdf) (June 2013), available at http://www.ojp.usdoj/about/ocr/pdfs/UseofConviction_Advisory.pdf.

Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Opportunity Plans (EEOPs).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see [28 C.F.R. pt.42, subpt. E](#)) and (2) submitting to the OCR findings of discrimination (see [28 C.F.R. §§ 42.204\(c\), .205\(c\)\(5\)](#)).

Meeting the EEOP Requirement

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization must maintain the Utilization Report on file and make it available for review on request. In addition, your organization must complete Section B of the Certification Form and return it to OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part- time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to OCR for review within sixty days from the date of the award. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/eeop.htm>. In addition, your organization must complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of federal grant awards prohibit discrimination on the basis of actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity in funded programs or activities, not only in employment but also in the delivery of services or benefits. Federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to OCR. A copy must also be sent to the State.

Audit Requirements

Pursuant to [2 C.F.R. Part 200](#), specifically, [§200.514](#) *et.seq*, recipients of federal funds are subject to annual audit requirements.

1. *Audit required.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part.
2. *Single audit.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with [§200.514](#) Scope of audit except when it elects to have a program-specific audit conducted in accordance with paragraph (c) of this section.
3. *Program-specific audit election.* When an entity expends Federal awards under only one Federal program (excluding research and development) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the entity, the entity may elect to have a program-specific audit conducted in accordance with [§200.507](#) Program-specific audits. A program-specific audit may not be elected for research and development unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
4. *Exemption when Federal awards expended are less than \$750,000.* A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in [§200.503](#) Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).
5. *Federally Funded Research and Development Centers (FFRDC).* Management of an entity that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this part.
6. *Subrecipients and Contractors.* An entity may simultaneously be a recipient, a subrecipient, and a contractor. Federal awards expended as a recipient or a subrecipient are subject to audit under this part. The payments received for goods or services provided as a contractor are not Federal awards. Section [§200.330](#) Subrecipient and contractor determinations sets forth the considerations in determining whether payments constitute a Federal award or a payment for goods or services provided as a contractor.

7. *Compliance responsibility for contractors.* In most cases, the entity's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with Federal statutes, regulations, and the terms and conditions of Federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the entity is responsible for ensuring compliance for procurement transactions, which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions are in compliance with Federal statutes, regulations, and the terms and conditions of Federal awards.
