OVERVIEW

The Juvenile Behavioral Health Competitive Grant Pilot Program Fund was established to support jurisdictions, particularly in rural areas, to evaluate a child's behavioral health needs and divert the child from formal court involvement and out-of-home placement into community or school-based mental health treatment. Grant recipients must use a validated mental health screening tool, and a full mental health assessment tool, if necessary. Applicants are required to clearly define the target population for each program for which funding is being requested. The target population and program description must align with the above-stated purpose. Applicants must clearly state eligibility criteria for each program for which funding is requested.

PROGRAM SCOPE

Activities supported by this program are determined by statute (IC § 31-40-6 et. Seq) and Indiana Criminal Justice Institute (ICJI) policies and procedures. If an applicant receives an award, the funded project is bound by the provisions of this solicitation and any other applicable laws, rules, policies, and regulation. All grants from the ICJI Youth Services Division are reimbursement grants. Verification of expenses along with verification of payment of expenses must be provided to ICJI on a monthly or quarterly basis.

ELIGIBILITY

Eligible entity types include:

- » Public entities
- » Nonprofit organizations
- » Nongovernmental organizations who provide mental and/or behavioral health services to youth involved in or at risk of being involved in the juvenile justice system.

An entity may apply but will not be eligible for a grant until the entity has prequalified through a series of threshold requirements including a review of the entity's good standing with Indiana Department of Revenue (DOR), Indiana Department of Workforce Development (DWD), and Secretary of State (SOS).

1. Any non-governmental entities must have a Memorandum of Agreement with the court(s) of juvenile jurisdiction in the counties that the program will serve prior to receiving funding.
2. Each grant awarded will be overseen by the local regional justice reinvestment council or another local collaborative body that includes juvenile justice stakeholders and engages in collaborative service planning for the county.
3. All grant recipients must agree to report performance measures on a quarterly basis and are required to provide an aggregate, annual report at the end of the grant cycle. Recipients will be required to maintain case-level data for the purposes of research and evaluation. The required performance measures are listed in the Grant Programs Report available [here](#).

An entity is eligible to receive funding if it furnishes, agrees to furnish, or arranges with a third party to furnish all the following services:

1. Management of the grant solicitation with support for rural communities as a required funding priority.
2. Services to determine how funding and programming shall be used effectively to benefit the target population.
3. Services that develop and/or utilize a local or regional justice reinvestment advisory council or another local collaborative body that includes stakeholders across the juvenile justice system, oversees grants awarded to the county and engages in collaborative service planning for the county. The local collaborative group must include the judicial officer from the court with juvenile jurisdiction or their designee.

FUNDING AVAILABILITY

Awards provided by this solicitation are for a (24) twenty-four-month period of funding. This program is funded by the Indiana General Assembly through the state's biennial budget. The grants are competitive and are for pilot projects. The amounts awarded will vary based on the breadth and scope of services provided, including the number of counties served as well as the number of grants awarded. Regional models of service delivery are preferred for economies of scale. The majority of grant funds awarded should be used to provide direct services to youth and families.

APPLICATION SUBMISSION

Completed applications and all required documentation shall be submitted through IntelliGrants no later than 11:59 pm (ET) on **Monday, November 20, 2023**.

IntelliGrants is an end-to-end solution for the administration of grants. Everything from the grant application, reports, and fiscal drawdowns will occur online within IntelliGrants. Applicants must register in IntelliGrants to apply for funding opportunities. Instructions can be found on the ICJI [website](#).

It is recommended that subgrantees review IntelliGrants training materials before logging in for the first time. The Training Webinar and Subgrantee User Manual are available on the ICJI website and on the training tab in IntelliGrants. ICJI is not responsible for applicants who fail to submit a timely application due to technical difficulties that occur within 48 hours of the deadline.

AWARD PERIOD

The award period for this grant shall be January 1, 2024 – December 31, 2025. Projects should begin on January 1, 2024, and must be in operation no later than sixty (60) days after this date. Failure to have the funded project operational within sixty (60) days from January 1, 2024, may result in termination of the grant and the de-obligation of all awarded funds.

All projects must conclude, and all funding obligations must be made no later than December 31, 2025. All outstanding expenses must be paid, and the final fiscal report must be submitted via IntelliGrants within thirty

(30) days of December 31, 2025. Proof of payment for all expenses must be provided with the final fiscal report. Any expenses that have not been paid within thirty (30) days after December 31, 2025, will not be reimbursed. Late fiscal and programmatic reports will not be accepted.

ALLOWABLE ACTIVITIES

Grant recipients shall use a validated mental health screening tool, and a full mental health assessment tool, if necessary, and may use funds to conduct the following activities:

2. Creating stabilization case management for a child or family in crisis.

APPENDIX: APPLICABLE LAWS AND MANDATORY REQUIREMENTS

I. GENERAL

This award is governed by ICJI polices and directives. All applicants must adhere to all provisions set forth in state statutes, regulations, and rules. Failure to abide by the state mandates may, at the discretion of the State, be considered to be a material breach. The consequences of a material breach include, but are not limited, to:

- The applicant becoming ineligible for this grant funding opportunity.
- Requiring repayment of any grant funds already received.
- The de-obligation of grant funds; and,
- The material breach becoming a factor in the scoring process for future grant applications.

Furthermore, the State shall not reimburse an applicant for expenditures outside the grant period of performance.

All applicants are required to establish and maintain grant accounting systems and financial records to accurately account for funds awarded to them.

The applicant understands and agrees that it cannot use funds from different funding sources for one or more of the identical cost items, in whole or in part. If this scenario presents itself, the applicant must contact the ICJI program manager in writing and refrain from the expenditure, obligation, or draw down of any funds awarded from ICJI concerning the identical cost items.
