

The Indiana Commission to Combat Drug Abuse

Behavioral Health Division

Comprehensive Community Plan

County: Noble

LCC Name: Drug Free Noble County

LCC Contact: Rebecca Calhoun

Address: 2090 N SR 9 Suite E

City: Albion

Phone: IN

Email: rdcalhoun@dfnc.org

County Commissioners: Gary Leatherman (President); Justin Stump; Anita Hess

Address: 104 W Main St

City: Albion, IN

Zip Code: 46701

Vision Statement

What is your Local Coordinating Council's vision statement?

Our Vision: "A Noble County Free of Drugs"

Drug Free Noble County exists to educate, prevent, reduce the numbers of individual's using alcohol, tobacco and other drugs, encourage healthy lifestyles, and coordinate a comprehensive approach to eliminate illegal drug use in Noble County.

Mission Statement

What is your Local Coordinating Council's mission statement?

To reduce the use and abuse of alcohol, tobacco and other drugs, primarily among youth, through prevention/education, treatment, justice/law enforcement and collaboration between agencies/organizations in Noble County.

LCC Meeting Schedule:

Please provide the months the LCC meets throughout the year:

Drug Free Noble County meets the 3rd Wednesday of each month at noon with the exclusion of August.

Community Needs Assessment: Results

The first step in developing an effective substance use and misuse reduction plan is to assess your community. A community assessment tells you about your community's readiness to implement prevention, treatment, and justice-related programs to address substance use and misuse. An assessment also provides an overview of the risk and protective factors present in the community, helping your coalition plan more effectively.

Community Profile

County Name
Drug Free Noble County, Inc.
County Population
Approximately 48,000
Schools in the community <ul style="list-style-type: none">• Noble County has 3 school districts with a total of 16 schools and 3 private schools• Noble County has multiple pre-school/daycare/earlychildhood programs
Medical care providers in the community (hospitals, health care centers, medical centers/clinics, etc.) <ul style="list-style-type: none">• Parkview Noble Hospital and affiliates• St. Martins Health Clinic• County Health Department• WIC Center• Multiple Dental practices• Multiple Chiropractic practices• Multiple nursing homes• Multiple vision/eye doctors• Two physical therapy facilities• Holistic Healthcare practitioners• Multiple Chiropractic practitioners

Mental health care providers in the community (hospitals with psychiatric/behavioral health units, mental health clinics, private/public providers, etc.)

- Bowen Center
- Northeastern Center

- Systems of Care
- Domestic Violence Task Force
- Bowen Center Student Assistance Program
- Club Recovery Alanon

Community Risk and Protective Factors

Use the list of risk and protective factors to identify those present in your community. Identify the resources/assets and limitations/gaps that exist in your community related to each. The lists are not all-inclusive and others may apply.

Risk Factors Examples: trauma and toxic stressors; poverty violence; neighborhood characteristics; low neighborhood attachment; community disorganization; community norms and laws favorable toward drug use, firearms, and crime; availability of alcohol and other drugs; weak family relationships; family substance use; peer substance use; mental health problems; families moving frequently from home to home; limited prevention and recovery resources.

Protective Factors Examples: strong family relationships; neighborhood economic viability; low childhood stress; access to health care; access to mental health care; community-based interventions; restricted access to alcohol and other drugs including restrictive laws and excise taxes; safe, supportive, and connected neighborhoods; meaningful youth engagement opportunities; local policies and practices that support healthy norms and child-youth programs; positive connection to adults.¹

Risk Factors	Resources/Assets	Limitations/Gaps
1. Norms, customs & policies that permit or promote substance abuse	1. Drug Free Noble County 2. Collaborations for education initiatives 3. Noble County courts active problem solving courts (Drug Court, Family Court and Veteran's Court programs)	1. Community awareness & education programs are insufficient 2. Lack connections to employers & other key players 3. Resources to effectively combat normalization of ATOD use.
2. Limited prevention & recovery resources	1. Treatment facilities are actively involved in Drug Free Noble County coalition 2. All Noble County school districts have mental health programs in place for students 3. Schools actively collaborate with DFNC partners for prevention programs	1. Shortage of sufficient treatment options 2. Insufficient prevention education in schools 3. Insufficient family support programs

¹Risk and protective factors extracted from IUPUI Center for Health Policy Community Conditions Favorable for Substance Use, April 2018.

3. Actual and perceived availability and use of ATOD's	1. School resources officers active in all school districts 2.Shatter the Myths social norming campaigns 3. Community programs that promote alcohol free activities	1. Community outreach and education is limited 2. Media- literacy (resistance to pro-use messages) is insufficient 3. Insufficient public education regarding ATOD's & addiction
Protective Factors	Resources/Assets	Limitations/Gaps
1. Exposure to evidence based & evidence informed programs, strategies and initiatives for prevention and recovery	1. Mental health providers utilize MRT and other evidence based treatment options 2.Active Drug Court, Veterans Court and Family Reconciliation Court 3. Safe Schools/ School Safety programs	1. Lack sufficient prevention programs for youth 2. Lack of community awareness of effective strategies/resources 3. Insufficient access to ATOD training opportunities
2. Social networks & support systems within the community	1. Diversity of stakeholders/ membership in DFNC Coalition 2. Strong interconnected recovery community 3. DFNC coalition members are positively engaged in community	1. Lack strong connections to faith based organizations 2. Lack strong connection to employers 3. Lack coordinated outreach system
3. Range of opportunities in the community for youth and family engagement	1. Criminal Justice Programs at high schools 2.Community Learning center is expanding options for all ages 3. Community engagement nights i.e. Movies in the Park/ annual softball event/ Serenity House Concert, etc.	1. Lack sufficient outreach to engage youth in prevention efforts 2. Lack of interest/apathy among community members to engage in positive outreach activities 3. Lack sufficient connectors to engage in additional outreach

Making A Community Action Plan

Now that you have completed a community assessment and have identified the risk and protective factors that exist, you can develop a plan of action. The Comprehensive Community Plan (CCP) is a systematic and community-driven gathering, analysis, and reporting of community-level indicators for the purpose of identifying and addressing local substance use problems.

Step 1: Create problem statements, and ensure problems statements are in line with statutory requirements

Step 2: Ensure your problem statements are evidence-informed, then prioritize

Step 3: Brainstorm what can be done about each

Step 4: Prioritize your list, and develop SMART goal statements for each

Step 5: List the steps to achieve each goal

Step 1: Create + Categorize Problem Statements

Create problem statements as they relate to each of the identified risk factors.

Risk Factors	Problem Statement(s)
1. Norms, customs & policies that permit or promote substance abuse	<ol style="list-style-type: none">1. Community understanding of laws related to ATOD's continue to be a problem in Noble County2. Community understanding of addiction and the use of ATOD's is a problem in Noble County3. Community understanding of the economic and community impact of ATOD's use is a problem in Noble County
2. Limited prevention & recovery resources	<ol style="list-style-type: none">1. Availability of treatment & recovery options for individuals and families is a problem in Noble County2. Availability of effective prevention programs for youth continues to be a problem in Noble County3. Access to effective intervention & prevention resources continues to be a problem in Noble County
3. Actual and perceived availability and use of ATOD's	<ol style="list-style-type: none">1. ATOD use & abuse by youth and adults is a problem in Noble County2. Perceived peer use of ATOD's is higher than actual reported use in Noble County3. Community understanding of addiction and the use of ATOD's is a problem in Noble County

Step 2: Evidence-Informed Problem Statements

Identify your top three problem statements using local or state data. Ensure that there is a problem statement for each co-equal funding category (e.g., prevention/education; intervention/treatment; and criminal justice services and activities).

<p>3. Access to effective intervention and prevention resources continues to be a problem in Noble County</p>	<ul style="list-style-type: none"> o Noble County residents indicating that they are unsure of or unable to receive quality drug and alcohol treatment services in Noble County 2019-51.03% (NS, D,SD)(Not sure/Disagree/Strongly Disagree) o Noble County had a Mental Health provider ratio of 1,080:1 (pop/provider) compared to Indiana overall of 620:1 	<p>2019 Noble County Annual Community Survey</p> <p>2020 County Health rankings report</p>																

Step 3: Brainstorm

Consider the resources/assets and limitations/gaps that were identified for each risk factor, and list what actions can be taken for each identified problem statement.

Problem Statements	What can be done (action)?
1. ATOD use & abuse by youth and adults is a problem in Noble County	1. Support the law enforcement needs and activities to reduce access to alcohol for youth, and other efforts to reduce alcohol and drug problems in the county 2. Support alternative activities for youth 3. Support public and social service agencies that work with youth to identify and reduce risk factors that contribute to ATOD use in youth
2. Community understanding of addiction and the use of ATOD's is a problem in Noble County	1. Support local educational forums to be held on issues related to ATOD 2. Support drug testing efforts for identification of drug use in Noble County 3. Raise Mental Health Awareness and its relation to substance abuse
3. Access to effective intervention and prevention resources continues to be a problem in Noble County	1. Support programs & organizations that provide treatment and recovery services in Noble County 2. Support prevention education programs provided through schools and other community organizations 3. Support programs that delay or prevent the first use of ATOD

Step 4: Develop SMART Goal Statements

For each problem statement, prioritize your list of what can be done. Choose your top two actions for each. Then, develop goal statements that demonstrate what change you hope to achieve and by when you hope to achieve it.

Problem Statement #1
Goal 1 DFNC will increase the perception of harm of ATOD's by youth as measured by IN Youth Survey and DFNC Annual Community Survey
Goal 2 DFNC will increase the annual number of adults in Noble County obtaining treatment & recovery services measured by local treatment center and recovery homes year-end annual service numbers.
Problem Statement #2
Goal 1 DFNC will increase understanding of IN laws related to underage alcohol use by 5% by 12/2023 as measured by annual responses to related questions in the Noble County Community Survey utilizing 2018 survey as baseline data
Goal 2 DFNC will increase annual ATOD's education/ messaging reach to diverse community members measured by annual numbers participating in Lunch & Learn and PAW (Parents at Work) outreach programs.
Problem Statement #3
Goal 1 DFNC will increase the awareness of ATOD treatment & recovery services available by 2% annually measured by responses to related question on the Noble County Annual Community Survey.
Goal 2 All Noble County public school districts will participate in effective prevention/education programs at the K-8th grade levels as measured by school and partner program data by 12/2021.

Step 5: Plans to Achieve Goals

For each goal, list the steps required to achieve each

Problem Statement #1	Steps
<p>Goal 1 DFNC will increase the perception of harm of ATOD's by youth as measured by IN Youth Survey and DFNC Annual Community Survey</p>	<ol style="list-style-type: none"> 1. Prevention/Education - Support alternative activities for youth 2. Intervention/Treatment - Support public and social service agencies that work with youth to identify and reduce risk factors that contribute to ATOD use in youth 3. Justice Services/Supports - Support law enforcement needs and activities to reduce access to alcohol for youth, and other efforts to reduce alcohol and drug problems in the county
<p>Goal 2 DFNC will increase the annual number of adults in Noble County obtaining treatment & recovery services measured by local treatment center and recovery homes year-end annual service numbers.</p>	<ol style="list-style-type: none"> 1. Prevention/Education - Support education initiatives that engage multiple sectors of the community 2. Intervention/Treatment - Support programs that encourage positive healthy family relationships 3. Justice Services/Supports - Support law enforcement programs/courts that work to reduce offender abuse of and/or addiction to ATOD thus decreasing related criminal activity.
Problem Statement #2	Steps
<p>Goal 1 DFNC will increase understanding of IN laws related to underage alcohol use by 5% by 12/2023 as measured by annual responses to related questions in the Noble County Community Survey utilizing 2018 survey as baseline data</p>	<ol style="list-style-type: none"> 1. Prevention/Education - Support local educational forums to be held on issues related to ATOD 2. Intervention/Treatment - Support programs that mental health awareness 3. Justice Services/Supports - Support drug testing efforts for identification of drug use in Noble County
<p>Goal 2 DFNC will increase annual ATOD's education/ messaging reach to diverse community members measured by annual numbers participating in Lunch & Learn and PAW (Parents at Work) outreach programs.</p>	<ol style="list-style-type: none"> 1. Prevention/Education - Support prevention education programs provided through schools and other community organizations 2. Intervention/Treatment - Support programs & organizations that provide treatment and recovery services in Noble County 3. Justice Services/Supports - Support law enforcement programs/courts that work to reduce offender abuse of and/or addiction to ATOD thus decreasing related criminal activity

Problem Statement #3	Steps
<p>Goal 1 DFNC will increase the awareness of ATOD treatment & recovery services available by 2% annually measured by responses to related question on the Noble County Annual Community Survey.</p>	<ol style="list-style-type: none"> 1. Prevention/Education - - Support local educational forums to be held on issues related to ATOD 2. Intervention/Treatment - Support programs & organizations that provide treatment and recovery services in Noble County 3. Justice Services/Supports - Support law enforcement programs/courts that work to reduce offender abuse of and/or addiction to ATOD thus decreasing related criminal activity.
<p>Goal 2 All Noble County public school districts will participate in effective prevention/education programs at the K-8th grade levels as measured by school and partner program data by 12/2021.</p>	<ol style="list-style-type: none"> 1. Prevention/Education - support prevention/education programs provided through the schools & community partners 2. Intervention/Treatment - support programs & organizations that provide treatment and recovery services in Noble County 3. Justice Services/Supports - support school resource officers efforts in public schools

Fund Document

The fund document allows the LCC to provide finances available to the coalition at the beginning of the year. The fund document gauges an LCC's fiscal wellness to empower their implementation of growth within their community. The fund document also ensures LCCs meet the statutory requirement of funding programs within the three categories of (1) Prevention/Education, (2) Treatment/Intervention, and (3) Criminal Justice Services and Activities (IC 5-2-11-5).

Funding Profile

Amount of funds deposited into the County Drug Free Community Fund from fees collected last year (\$100.00): \$31,893.60		
Amount of unused funds that rolled over from the previous year (\$100.00): \$0.00		
Total funds available for programs and administrative costs for the upcoming year (\$100.00): \$31,893.60		
Amount of funds granted the year prior (\$100.00): \$34,966.48
