

PERFORMANCE MEASUREMENT QUESTIONS

Agency Name:

Grant Number:

Time Period:

Quarter:

1. What were your accomplishments during the reporting period?
2. What goals were accomplished during the reporting period as they relate to the goals you entered on your grant application?
3. What problems/barriers did you encounter, if any, during the reporting period that prevented you from reaching your goal or milestones?
4. Can OJJDP offer assistance to address any problems/barriers you identified in question 3? If so, please describe?

Please select the measures for which you are collecting data. Please use the boxes to the left to select.

Number of MOUs developed

Number of program slots available

Number of FTEs funded with Formula Grant funds

Number of program materials developed during the reporting period

Number and percent of program staff trained

Number of hours of training provided to program staff

Number and percent of mentors trained

Number of hours of mentor training provided

Average tenure of mentors

Number of hours of mentor training provided

Number of program/agency policies or procedures created, amended, or rescinded

Number of service hours completed

Average length of stay in the program

Number and percent of program families satisfied with the program

Number and percent of program youth satisfied with the program

Number and percent of program staff with increased knowledge of the program area

Enter zero (0) if you are able to collect and report data for the measure but there was no activity during the reporting period. If you enter 0 for another reason (e.g., data not tracked, activity not applicable), please explain in the text box available at the end of each data reporting section.

1. **Number of program slots available:**

A. Number of client service slots available during the reporting period:

2. **Number of program youth served:**

A. Number of program youth carried over from the previous reporting period, plus new admissions during the reporting period:

3. **Number of enrolled parents or guardians served during the reporting period**

A. Number of enrolled parents or guardians carried over from the previous reporting period:

B. New admissions during the reporting period:

C. Total of enrolled parents and guardians served during the reporting period (A+B):

4. **Number of additional family members served during the reporting period**

A. Number of additional family members carried over from the previous reporting period:

B. New admissions during the reporting period:

C. Total (A+B):

5. **Number and percent of program youth who offend (Short Term)**

A. Total number of program youth served during the reporting period:

B. Number of program youth tracked during the reporting period:

C. Of B, the number of program youth who had an arrest or delinquent offense during the reporting period:

D. Number of the program youth who were committed to a juvenile facility during the reporting period:

E. Number of program youth who were sentenced to adult prison during the reporting period:

F. Number of youth who received another sentence during the reporting period:

G. Percent offending (C/B):

6. Number and percent of program youth who offend (Long Term)

A. Total number of program youth tracked during the reporting period who exited the program 6-12 months ago:

B. Of A, the number of program youth who had an arrest or delinquent offense during the reporting period:

C. Number of program youth who were committed to a juvenile facility during the reporting period:

D. Number of program youth who were sentenced to adult prison during the reporting period:

E. Number of youth who received another sentence during the reporting period:

F. Percent offending (B/A):

7. Number and percent of program youth who re-offend (Short Term)

A. Total number of program youth served during the reporting period:

B. Number of program youth tracked during the reporting period:

C. Of B, the number of program youth- who had a new arrest or new delinquent offense during the reporting period:

D. Number of program youth who were recommitted to a juvenile facility during the reporting period:

E. Number of program youth who were sentenced to adult prison during the reporting period:

F. Number of youth who received another sentence during the reporting period:

G. Percent recidivism (C/B):

8. Number and percent of program youth who re-offended (Long Term)

- A. Total number of program youth tracked during the reporting period who exited the program 6-12 months ago:
- B. Of A, the number of program youth who had a new arrest or new delinquent offense during the reporting period:
- C. Number of program youth who were recommitted to a juvenile facility during the reporting period:
- D. Number of program youth who were sentenced to adult prison during the reporting period:
- E. Number of youth who received another sentence during the reporting period:
- F. Percent recidivism (B/A):

9. Antisocial behavior (Short Term)

- A. Number of program youth served during the reporting period with the noted behavioral change:
- B. Total number of youth receiving services for the target behavior during the reporting period:
- C. Percent (A/B):

10. Antisocial behavior (Long Term)

- A. Total number of program youth exiting the program 6-12 months ago tracked for the target behavior during the reporting period:
- B. Of A, the number of program youth with the noted behavioral change during the reporting period:

11. Substance Use (Short Term)

- A. Number of program youth served during the reporting period with the noted behavioral change:
- B. Total number of youth receiving for target behavior during the reporting period:
- C. Percent (A/B):

12. Substance use (Long Term)

- A. Total number of program youth exiting the program 6-12 months ago tracked for the target behavior during the reporting period:
- B. Of A, the number of program youth with the noted behavioral change during the reporting period 0
- C. B/A (calculate):

13. Family relationships (short term)

- A. Number of program youth served during the reporting period with the noted behavioral change:

B. Total number of youth receiving services for target behavior during the reporting period:

C. Percent (A/B):

14. Family relationships (long term)

A. Total number of program youth exiting the programs 6-12 months ago tracked for the target behavior during the reporting period:

B. Of A, the number of program youth with the noted behavioral change during the reporting period 0

C. B/A (calculate):

15. Social competence (Short Term)

A. Number of program youth served during the reporting period with the noted behavioral change:

B. Total number of youth receiving services for the target behavior during the reporting period:

C. Of B, the number of program youth who had a new arrest or new delinquent offense during the reporting period:

D. Number of program youth who were recommitted to a juvenile facility during the reporting period:

E. Number of the program youth who were sentenced to adult prison during the reporting period:

F. Number of youth who received another sentence during the reporting period:

G. Percent recidivism (C/B) (calculate):

16. Number and percent of program youth who re-offended (Long Term)

- A. Total number of program youth tracked during the reporting period who exited the program exited the program 6-12 months ago:
- B. Of A, the number of program youth who had a new arrest or new delinquent offense during the reporting period:
- C. Number of program youth who were recommitted to a juvenile facility during the reporting period:
- D. Number of program youth who were sentenced to adult prison during the reporting period:
- E. Number of youth who received another sentence during the reporting period:
- F. Percent recidivism (B/A) (calculate):

17. Antisocial Behavior (short term)

- A. Number of program youth served during the reporting period with the noted behavioral change:
- B. Total number of youth receiving services for the target behavior during the reporting period:
- C. Percent (A/B) (calculate):

18. Antisocial Behavior (long term)

- A. Total number of program youth exiting the program 6-12 months ago tracked for the target behavior during the reporting period:
- B. Of A, the number of program youth with the noted behavioral change the reporting period:
- C. Percent (A/B) (calculate):

19. Social Competence (Long Term)

- A. Total number of program youth exiting the program 6-12 months ago tracked for the target behavior during the reporting period:
- B. Of A, the number of program youth with the noted behavioral change during the reporting period:
- C. Percent (B/A) (calculate):

20. Vocational/technical training (short term)

- A. Number of program youth served during the reporting period with the noted behavioral change:
- B. Total number of youth receiving services for the target behavior during the reporting period:
- C. Percent (A/B) (calculate):

21. Vocational/technical training (long term)

- A. Total number of program youth exiting the program 6-12 months ago tracked for the target behavior during the reporting period:
- B. Of A, the number of program youth with the noted behavioral change during the reporting period:
- C. Percent (B/A) (calculate):

22. Number and percent of program youth completing program requirements

- A. Number of program youth who exited the program having completed program requirements:
- B. Total number of youth who exited the program during the reporting period (either successfully or unsuccessfully):
- C. Percent A/B (calculate):
