OVERVIEW

The Services * Training * Officers * Prosecutors (STOP) Violence Against Women Formula Grant Program (STOP Formula Grant Program) supports communities, including American Indian Tribes and Alaska Native villages, in their efforts to develop and strengthen effective responses to sexual assault, domestic violence, dating violence, and stalking. This program is authorized by 34 U.S.C § 10441 *et seq.* For additional information about the STOP grant program, click [here](#) or [here](#).

Funding for this grant opportunity is limited to **Law Enforcement** activities only. Law enforcement activities include but are not limited to investigation of a crime, training law enforcement to more effectively identify, investigate, and respond to crimes against women, developing more effective protocols, and training forensic examiners in the collection of evidence.

PROGRAM SCOPE

Activities supported by this grant program are determined by state and federal statute, federal regulations, and ICJI policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, all applicable award conditions, 2 CFR Part 200, and the DOJ Grants Financial Guide, including updates to the guide after an award is made. All grants from ICJI Victim Services are **reimbursement** grants. Documentation of expenses along with verification of payment of expenses must be provided to ICJI on a monthly or quarterly basis prior to reimbursement of expenses.

ELIGIBILITY

Eligible entity types that may apply include:

- » State agencies
- » Units of local government
- » Nonprofit organizations
- » Faith-based organizations

An entity may apply, but will not be eligible for grant funding until the entity has prequalified through a series of threshold requirements including:

- » DUNS Number and Unique Entity ID: Historically, subgrantees (i.e., subrecipients) were required to obtain and report a DUNS number. Beginning on April 4, 2022, a Unique Entity ID (UEI) issued through the System for Award Management (SAM) will be required instead of a DUNS number to receive funding. The UEI is entered in the *Project Information* section of the grant application. For more information and/or to obtain SAMS UEI, please visit the following [website](#).
- » System for Award Management (SAM) Registration: To enable ICJI to report subawards in a timely manner, subrecipients are also required to register with System for Award Management (SAM). SAM is a federally owned and operated free website, and it will be used to populate the information needed to report subaward information. Registration can be completed by clicking [here](#).

- » Review of the entity's good standing with Indiana Department of Revenue (DOR), Indiana Department of Workforce Development (DWD), and Secretary of State (SOS).

FUNDING AVAILABILITY

The estimated funding available for this grant opportunity is \$400,000 for this 27-month grant cycle and ICJI estimates awarding 2-4 grants to eligible applicants. Grant recipients may apply for future grant funding on a yearly basis through the competitive grant application process.

APPLICATION SUBMISSION

Completed applications and all required documentation are to be submitted through IntelliGrants no later than 11:59 pm (ET) on **Monday, May 9, 2022**.

IntelliGrants is an end-to-end solution for the administration of grants. Everything from the grant application, reports, and fiscal drawdowns will occur online within IntelliGrants. Applicants must register in IntelliGrants in order to apply for funding opportunities. Instructions can be found on the ICJI [website](#).

It is recommended that applicants review IntelliGrants training materials before logging in for the first time. The training webinar and Subgrantee User Manual are available on the ICJI website and on the training tab in IntelliGrants. ICJI is not responsible for applications submitted past the submission deadline due to technical difficulties that occur within 48 hours of the deadline.

AWARD PERIOD

The award period for this grant shall be July 1, 2022 – September 30, 2024. Projects should begin on July 1, 2022 and must be in operation no later than sixty (60) days after this date. Failure to have the funded project operational within sixty (60) days will result in the termination of the grant and the de-obligation of all awarded funds.

All projects must conclude, and all funding obligations must be made no later than September 30, 2024. All outstanding expenses must be paid, and the Final Fiscal Report must be submitted via IntelliGrants within 30 days of September 30, 2024. Proof of payment for all expenses must be provided with the Final Fiscal Report. Any expenses that have not been paid within 30 days after September 30, 2024, will not be reimbursed. Late fiscal and programmatic reports will not be accepted.

PURPOSE AREAS

Pursuant to 34 U.S.C. § 10441(b), funds under this program must be used for one or more of the following purposes areas related to law enforcement:

- » Training law enforcement officers to more effectively identify and respond to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking, including the appropriate use of nonimmigrant status under subparagraphs (T) and (U) of section 101(a)(15) of the Immigration and Nationality Act (8 U.S.C. § 1101(a)).
- » Developing, training, or expanding units of law enforcement officers, specifically targeting violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.
- » Developing and implementing more effective police protocols, orders, and services specifically devoted to preventing, identifying, and responding to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking, as well as the appropriate treatment of victims.
- » Training of sexual assault forensic medical personnel examiners in the collection and preservation of evidence, analysis, prevention, and providing expert testimony and treatment of trauma related to sexual assault.
- » Developing, enlarging, or strengthening programs to assist law to address the needs and circumstances of older and disabled women who are victims of sexual assault, domestic violence, dating violence, or stalking, including recognizing, investigating, and prosecuting instances of such violence or assault and targeting outreach and support, counseling, and other victim services to such older and disabled individuals.
- » Developing and strengthening policies, protocols, best practices, and training for law enforcement agencies relating to the investigation and prosecution of sexual assault cases and the appropriate treatment of victims.
- » Developing, enlarging, or strengthening programs addressing sexual assault against men, women, and youth in correctional and detention settings.

PRIORITY AREAS

The Office on Violence Against Women (OVW) is interested in supporting the priority areas identified below. In shaping their strategies, OVW encourages states and territories to develop and support projects that:

- » Reduce violent crime against women and promote victim safety.
- » Increase the response to victims of human trafficking.
- » Include substance abuse professionals in a coordinated community response to violence against women crimes and increase victim access to substance abuse services.
- » Increase efforts to combat stalking.

PROGRAM REQUIREMENTS

I. CONFIDENTIALITY

All grantees and subgrantees providing services to victims and receiving VAWA funding from the Office on Violence Against Women must comply with the VAWA Confidentiality Provision. The VAWA Confidentiality Provision refers to 34 U.S.C. 12291(b)(2), a provision of the Violence Against Women Act (VAWA) that requires all grantees and subgrantees receiving VAWA funding from the Department of Justice, Office on Violence Against Women, to protect the confidentiality and privacy of persons to whom those grantees and subgrantees are providing services.

Subgrantees may not disclose, reveal, or release personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected.

Personally identifying information includes information such as an individual's name, address, other contact information, and social security number, but it also can include information such as an individual's race, birth date, or number of children if, in the particular circumstances, that information would identify the individual.

Personally identifying information comprehensively means information about an individual that may directly or indirectly identify that individual. In the case of a victim of domestic violence, dating violence, sexual assault, or stalking, it also means information that would disclose the location of that individual.

Please see the following [resource](#) for more information on best practices on protecting the confidentiality and privacy of all persons receiving services.

II. DETERMINATION OF SUITABILITY TO INTERACT WITH PARTICIPATING MINORS

The recipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW website in a PDF titled "Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors" and can be found [here](#).

OUT-OF-SCOPE ACTIVITIES

The activities listed below are out of the program scope, and they will not be supported by this program's funding.

- » Research projects.
- » Services provided to youth under the age of 11 or services to those above the age of 10 who are seeking services for victimization that occurred when they were under the age of 11.

- » Activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, and/or allow offenders to escape responsibility for their actions, including but not limited to the following:
 - Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, relationship to the perpetrator, or the age/gender of their children.
 - Procedures or policies that compromise the confidentiality of information and privacy of persons receiving services.
 - Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies) in order to receive services.
 - Procedures or policies that fail to include conducting safety planning with victims.
 - Project designs, products, services, and/or budgets that fail to account for the unique needs of individuals with disabilities, with limited English proficiency, or who are Deaf or hard of hearing, including accessibility for such individuals.
 - Using technology without addressing implications for victim confidentiality, safety planning, and the need for informed consent.
 - Partnering with individuals or organizations that support/promote practices that compromise victim safety and recovery or undermine offender accountability.

INELIGIBLE BUDGET ITEMS

The budget items listed below are ineligible and will not be supported by this program's funding:

- » Indirect administrative costs exceeding 10% of the total grant budget.
- » Direct financial assistance to victims.
- » Expenses incurred outside of the grant award period.
- » Alcohol, food (except emergency food for victims) and entertainment costs.
- » Lobbying
- » Fundraising (including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred solely to raise capital or obtain contributions) and time spent procuring funding including completing federal and state funding applications.

- » Purchase of real estate or construction.
- » Physical modification to buildings, including minor renovations (such as painting or carpeting).
- » Purchasing vehicles.
- » Immigration fees.
- » Costs may not be included or used to meet match requirements of any other federal grant.

CONTRACTORS & CONSULTANTS

When a grant recipient contracts for work or services, the following is required:

1. All contractual services must be obtained through a procurement method. Verification of this method must be supplied upon completion of contract.
2. All consultant and contractual services shall be supported by written contracts signed by all parties stating the services to be performed, rate of compensation, and length of time over which the services will be provided.
3. A copy of all written contracts for contractual or consultant services must be uploaded in the Attachments section of the grant application in IntelliGrants upon their execution.
4. Payments must be supported by statements outlining the services rendered, date of service, and cost of service.
5. Any consultant costs exceeding the maximum allowable rate (\$81.25 per hour or \$650 per day) will not be allowed.

INDIRECT COSTS

According to 2 CFR Part 200.56, indirect costs are defined as: “Those costs incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefited, without effort disproportionate to the results achieved.”

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary to the operation of the organization and the performance of the project. Indirect costs are those that benefit more than one activity and are common or joint purpose costs.

Requesting Indirect Costs: Requesting indirect costs is optional. Applicants do not have to request indirect costs, but it is allowable. To calculate indirect costs, applicants must first determine the Modified Total Direct Costs (MTDC) amount of the project budget. Indirect costs that can be requested are not based on the entire project budget, but on the MTDC amount.

Applicants have two options when requesting Indirect Costs: using a formal Indirect Cost Rate Agreement (ICRA) or using a de minimis rate. These two options are outlined below.

1. *Indirect Cost Rate Agreement (ICRA)*

- » This is a formal rate agreement that an organization has applied for and received from the federal cognizant agency (ICJI does not approve ICRA's).
- » Organizations will have a letter or other documentation that lists the federally-negotiated rate.
- » The rate in the ICRA must be accepted, unless otherwise specified by federal awarding agency.
- » Applicants can request the percentage (as outlined in the ICRA) of the Modified Total Direct Costs (MTDC) of their budget for indirect costs.

2. *De Minimis Rate*

- » This can be used by organizations that have never had a federally-approved Indirect Cost Rate Agreement.
- » Can use a rate of up to 10 percent of the Modified Total Direct Costs (MTDC) of their budget for indirect costs.
- » If an applicant elects to use the *de minimis* rate of 10% of modified total direct costs (MTDC), then it must provide a list of indirect costs and the calculation used to determine the amount charged.

If an applicant elects to include indirect costs in their proposed grant budget, this intent must be included the Budget Narrative section of the application. In addition, if the applicant has an ICRA, the approved agreement must be uploaded in the attachment section of the application. If an applicant is requesting to utilize a De Minimis Rate, then an attachment must be uploaded in IntelliGrants indicating how the indirect costs were calculated and the costs assigned as indirect. For more information related to indirect costs, please refer to the DOJ Grants Financial Guide.

MATCH REQUIREMENT

Matching or cost sharing means the portion of the project costs not paid by federal funds. Match is typically stated as a percentage of the total project costs for an award.

There is a 25% match requirement imposed on grant funds awarded under this program. If the applicant agency is a nonprofit, nongovernmental organization that is recognized by the IRS under section 501(c)3 of Title 26, the match requirement is waived.

Match is restricted to the same use of funds as allowed for federal funds. If an expenditure is not allowable with federal funds, it is not allowable with match funds. Applicants must identify all sources of the non-federal portion of the total project costs (i.e., match funds), and applicants must explain how the match funds will be used in the budget narrative section of the application within IntelliGrants.

The formula for calculation the match amount required is a two-step process:

Step 1: Award Amount / % of Federal Share = Total Project Cost

Step 2: Total Project Cost × % of Recipient Share = Required Match

Example: A grant recipient is awarded \$150,000 in federal funding.

$\$150,000 \div 0.75 = \$200,000$ Total project cost

$\$200,000 \times 0.25 = \$50,000$ Recipient share (required match)

Additionally, matching funds must:

- » Be verifiable from the subgrantee's records;
- » Not included as contributions for any other federal award;
- » Be necessary and reasonable for the accomplishment of the project or program objectives;
- » Be allowable under 2 C.F.R. 200.400;
- » Not be paid by the federal government under another federal award, except where authorized by federal statute;
- » Be included in the subgrantee's approved budget; and
- » Conform to all other provisions of 2 C.F.R. Part 200.

TRAVEL COSTS

Expenses and reimbursements for in state and out of state travel must follow the most current Indiana Department of Administration State Travel Policy or the subrecipient's travel policy, whichever is more restrictive. [Learn more.](#)

PROGRAM COSTS

Costs must meet the following criteria:

1. Costs must be necessary and reasonable for the stated purpose of the grant
2. Costs must be in accordance with generally accepted accounting principles. [Learn more.](#)
3. Costs must conform to any limitations or exclusions set forth in 2 C.F.R Part 200 or the STOP Grant Program Requirements.
4. Costs must be consistent with policies and procedures of this grant program and applied uniformly.

5. Costs must be adequately documented with supporting materials including receipts, invoices, timesheets, paystubs, etc.

ATTACHMENTS REQUIRED WITH APPLICATION

- » *Total Agency Budget:* If the applicant agency is a nonprofit, nongovernmental entity, please complete and upload a “Subgrantee Basic Budget (non-profit Applicant budget form)”. Be sure to complete both the Organizational tab and the Employee tab. The form can be found on the ICJI website [here](#). *This does not apply to units of government.*
- » *Indirect Cost Rate:* If the applicant agency has a federally approved indirect cost rate, ICJI will accept this rate. You must provide ICJI with a copy of the federally Indirect Cost Rate agreement showing the rate and effective date. If the applicant elects to use the *de minimis* rate of 10% of modified total direct costs (MTDC), then it must provide a list of indirect costs and the calculation used to determine the amount charged.
- » *Sustainability Plan:* Please attach a document detailing the applicant’s plan to maintain the program once the grant fund period expires.
- » *Timeline:* Please attach a timeline for the completion of the project and/or expenditure of the grant funds.
- » *Letters of Endorsement:* Please attach at least one letter of endorsement evidencing community support for the applicant’s program.
- » *Consultation Form:* STOP requires law enforcement-based programs to show they have consulted with a victim service agency during the completion of this funding announcement (example provided in Appendix B).
- » *Miscellaneous.*
 - A. Completed and signed EEOP certification [form](#).
 - B. If applying for funds for personnel costs, attach the relevant job descriptions.
 - C. If applicable, attach other requested information.

APPLICATION REVIEW

Pursuant to 2 C.F.R. Part 200, the state will review and score all grant applications as part of the competitive application process. The state will assess:

- » The completeness of the grant application;
- » Whether the grant application is within the purpose areas of the funding;

- » The applicant's eligibility;
- » Whether the grant application, the applicant, and the project are in compliance with all federal and state laws, regulations, and rules;
- » Whether the proposed expenditures set forth in the project budget are allowable and allocable;
- » Any potential conflicts of interest;
- » Whether the applicant has any federal and/or state debt delinquency;
- » The applicant's ability to successfully pass clearance checks from the DOR, DWD and SOS.
- » Any and all risk associated with granting funds to the applicant;
- » Whether the applicant is debarred or suspended by any federal or state department or agency; and
- » Whether the applicant maintains a current registration in SAM and has an active DUNS number.

CONTRACT REQUIREMENTS

All applicants awarded funding from ICJI must agree to:

1. Enter into a grant agreement between ICJI and the applicant agency and agree to abide by all provisions of the grant agreement.
2. Enter into agreement to abide by all special conditions detailed in the Certified Assurances and Special Conditions.
3. Submit all reports in the prescribed format and timeframes determined by ICJI.
4. Comply with federal guidelines contained within 2 CFR Part 200 found [here](#) and the Office of Justice Programs, Office of the Chief Financial Officer Financial Guide found [here](#).
5. Along with completing quarterly fiscal and program reports in IntelliGrants, submission of data for the Muskie Annual Report. More information on this report can be found [here](#).

SUPPLANTING

Federal funds must be used to supplement existing funds for program activities and cannot replace or supplant non-federal funds that have been appropriated for the same purpose. Supplanting occurs when a state, local, or tribal government reduces state, local, or tribal funds for an activity specifically because federal funds are available (or expected to be available) to fund that same activity.

MONITORING

All grant awards will be monitored by an ICJI Grant Manager and/or ICJI Compliance Monitoring team using a combination of desk reviews and site visits. Additionally, the grant manager will review all submitted reports for timeliness and accuracy. Delinquencies and report contents will be addressed as needed by ICJI staff. Late and repeated incorrect reports could disqualify subrecipients from future funding.

AUDIT REQUIREMENTS

Pursuant to 2 C.F.R. Part 200, specifically, § 200.500 *et.seq*, recipients of federal funds are subject to annual audit requirements.

1. *Audit required:* A non-federal entity that expends \$750,000 or more during the non-federal entity's fiscal year in federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part.
2. *Single audit:* A non-federal entity that expends \$750,000 or more during the non-federal entity's fiscal year in federal awards must have a single audit conducted in accordance with §200.514 Scope of audit, except when it elects to have a program-specific audit conducted in accordance with paragraph (3) of this section.
3. *Program-specific audit election:* When an entity expends federal awards under only one federal program (excluding research and development) and the federal program's statutes, regulations, or the terms and conditions of the federal award do not require a financial statement audit of the entity, the entity may elect to have a program-specific audit conducted in accordance with §200.507 Program-specific audits. A program-specific audit may not be elected for research and development unless all of the federal awards expended were received from the same federal agency, or the same federal agency and the same pass-through entity, and that federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
4. *Exemption when federal awards expended are less than \$750,000:* A non-federal entity that expends less than \$750,000 during the non-federal entity's fiscal year in federal awards is exempt from federal audit requirements for that year, except as noted in §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the federal agency, pass-through entity, and Government Accountability Office (GAO).
5. *Federally Funded Research and Development Centers (FFRDC):* Management of an entity that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this part.
6. *Subrecipients and Contractors:* An entity may simultaneously be a recipient, a subrecipient, and a contractor. Federal awards expended as a recipient or a subrecipient are subject to audit under this part. The payments received for goods or services provided as a contractor are not federal awards. Section §200.330 Subrecipient and contractor determinations sets forth the considerations in determining whether payments constitute a federal award or a payment for goods or services provided as a contractor.

7. *Compliance responsibility for contractors:* In most cases, the entity's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with federal statutes, regulations, and the terms and conditions of federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the entity is responsible for ensuring compliance for procurement transactions, which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions are in compliance with federal statutes, regulations, and the terms and conditions of federal awards.

8. *For-profit subrecipient:* Since this part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient must describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. See also §200.331 Requirements for pass-through entities.

APPENDIX A: APPLICABLE LAWS AND MANDATORY REQUIREMENTS

I. GENERAL

This award is governed by 2 C.F.R. Part 200 and the current DOJ Grants Financial Guide. All applicants must adhere to all provisions set forth in federal and state statute, regulation, or rule. Failure to abide by the federal and state mandates may, at the discretion of the state, be considered to be a material breach. The consequences of a material breach include, but are not limited, to:

- » The applicant becoming ineligible for this grant funding opportunity;
- » Requiring repayment of any grant funds already received;
- » The de-obligation of grant funds; and
- » The material breach becoming a factor in the scoring process for future grant applications.

Furthermore, the applicant may not obligate, expend or draw down grant funds until the federal Office of the Chief Financial Officer notifies the state that the grant has been awarded to Indiana. The state shall not reimburse an applicant for expenditures outside the grant period of performance.

Pursuant to 2 C.F.R. Part 200, all applicants are required to establish and maintain grant accounting systems and financial records to accurately account for funds awarded to them.

The applicant understands and agrees that it cannot use federal funds from different funding sources for one or more of the identical cost items, in whole or in part. If this scenario presents itself, the applicant must contact the ICJI program manager in writing and refrain from the expenditure, obligation, or drawn down of any federal funds awarded from ICJI concerning the identical cost items.

II. CIVIL RIGHTS LAWS AND REQUIREMENTS

Recipients of federal grants are required to adhere to all federal and state laws concerning civil rights including, but not limited to, the laws set forth below

- » *Nondiscrimination*: Pursuant to the Indiana Civil Rights Law, specifically including IC §22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the applicant covenants that it shall not discriminate against any employee or applicant for employment relating to this grant with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law ("Protected Characteristics"). Furthermore, the applicant certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the protected characteristics in the provision of services.

Applicant covenants that it shall not discriminate against any individual based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity as outlined in the Violence Against Women Act Reauthorization Act of 2013. The applicant understands that the state is a recipient of federal funds, and therefore, where applicable, the applicant and any subcontractors shall comply with requisite affirmative action requirements, including reporting, pursuant to 41 C.F.R.

Chapter 60, as amended, and Section 202 of Executive Order 11246 as amended by Executive Order 13672.

- » *Services to Limited English Proficiency (LEP) Individuals:* In accordance with Department of Justice (DOJ) guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41, 455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see this [website](#).
- » *Ensuring Equal Treatment for Faith-Based Organizations:* Faith-based organizations are prohibited from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by this grant, and recipients cannot compel beneficiaries to participate in these activities. The Equal Treatment Regulation also makes it clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of the beneficiary's religion. For more information on the regulation, please see the Office of Civil Rights (OCR) [website](#).

Faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and the Violence Against Women Act Reauthorization Act of 2013, Pub. L. no. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funding while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

- » *Using Arrest and Conviction Records in Making Employment Decisions:* The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available [here](#). Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Opportunity Plans (EEOs).
- » *Complying with the Safe Streets Act:* An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with

the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt.42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c),.205(c)(5)).

- » *Meeting the EEOP Requirement:* If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online [here](#).

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form is available [here](#).

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to OCR for review within sixty days from the date of the award. For assistance in developing a Utilization Report, please consult the OCR's [website](#). In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available [here](#).

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

- » *Ensuring Access to Federally Assisted Programs:* Federal laws that apply to recipients of federal grant awards prohibit discrimination on the basis of actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity in funded programs or activities, not only in employment but also in the delivery of services or benefits. Federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.
- » *Enforcing Civil Rights Laws:* All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.
- » *Meeting the Requirement to Submit Findings of Discrimination:* If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to OCR. A copy must also be sent to the state.
