

ORDINANCE NO. 2025-04

**AN ORDINANCE
OF THE BOARD OF COMMISSIONERS OF CARROLL COUNTY
AMENDING THE CARROLL COUNTY TRAFFIC ORDINANCE**

Findings

The speed on County Road 350 S from State Road 29 to County Road 500 E is currently not regulated by the county. The legal speed limit on this road is the presumptive state limit of 55 miles per hour. Due to its narrowness and hilly terrain as well as its use by a variety of vehicles including passenger cars, trucks and farm vehicles, the sheriff of Carroll County has recommended, and the Board of Commissioners finds, that a reasonable speed limit for said road is 35 miles per hour.

IT IS ORDAINED BY THE BOARD OF COMMISSIONERS OF CARROLL COUNTY, INDIANA, AS THAT:

1. The Carroll County Traffic Ordinance, as codified by reference in §70.01 of the Carroll County Code, is hereby amended as follows:

Speed Limit

Road Name	From	To	Speed Limit
350 S	State Road 29	500 E	35 m.p.h.

2. Unless specifically amended herein, all other portions of the Carroll County Traffic Ordinance #06-06 and all amendments thereto, as codified by reference in §70.01 of the Carroll County Code, shall remain in full force and effect.

3 If any provision of this ordinance is adjudged to be invalid, such adjudication shall not affect the validity of any other provisions or any other provisions contained in the section or chapter which this ordinance amends.

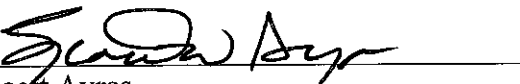

4. This ordinance shall have full force and effect upon its adoption and the installation of the speed limit signs. A copy shall be provided to the sheriff.

ADOPTED by the Board of Commissioners of Carroll County on the 15th day of September 2025, after unanimous consent of the Board to consideration of said ordinance on the date of its introduction.
