June 1, 2011

Meeting called to order at 1140. Meeting was originally scheduled for May 4, 2011 but was moved due to numerous scheduling conflicts.

PRESENT: Randy Pryor, Alvin Beckman, Rocky Buffum, Vicky Cree, Bob Ehle, Bob Kasting

Minutes were not approved due to lack of a quorum.

OLD BUSINESS

Tier II Reporting: Additional submissions have been received from Ironmonger and Amerigas. For future reporting we will need to work on acquiring maps of facilities identifying the locations of hazardous materials reported and access to those materials.

The committee list was revised to correct typos and change of personnel. The current list is as follows:

Planning	Fiscal	Communications	Training
Bob Kasting Brian Graff Dave Patty Randy Pryor	Herb Detrick Herb Bowman	Bob Ehle Rocky Buffum Alvin Beckman	Larry Lucas Rocky Buffum Herb Detrick Herb Bowman Dusty Fry Tim Cree

NEW BUSINESS

On June 7 at 9am (Tuesday) a tabletop exercise will be held at the Koch Nitrogen facility at 800 South and US35. Fire, police, hospital, Grissom Emergency Services and the Sheriff have been invited.

Tier II reports were discussed under old business.

Training options including ethanol, chlorine, and propane emergencies have been explored. Committee members will need to complete ethics training to meet a state requirement.

Alvin reported at this time EMA is functioning as an operations level HAZMAT team. This is largely due to the large expense of physicals and the limited supply of funds. The primary plan for a technician level response at this time is to contact Grissom Fire with Kokomo fire and District 4 as backups.

No financial activity to report. We will need to have quorum at our next two meetings to access LEPC funds.  
Motion to adjourn by Bob Kasting, second by Bob Ehle with all in accord

Next meeting scheduled for August 3, 2011.
