Cass County Health Department Report:

Dr. Martin reported on possible increase of Health Department fees for 2017. Serenity reported the Cass County Health Department staff met with surrounding health departments regarding restaurant fees. Some departments have a 2 to 3 tier restaurant fee according to menu. Dr. Martin states he is in favor of raising to a set fee to keep it simple. Dr. Zimmerer asked Serenity to email the 2 and 3 tier restaurant menu fee to the board members.

Gary Davis mentioned the possibility of inspecting concession stands and other non-profit organizations in 2017 that are being used more than 14 days per year. Cyndi Bricknell questioned if these organizations will be charged for permits if the Health Department begins to inspect. Gary Davis stated he plans to speak with the Commissioner's later this fall regarding this issue and will discuss at next Board of Health meeting.

Serenity gave Health Department report.

No public comments or concerns voiced.

Dr. Ciotta motioned to adjourn meeting at 7:42pm. Motion was seconded by Susan Pryor.
