

FREE Recycling Event

ATTENTION: ALL CASS COUNTY RESIDENTS

The District's annual **HHW Day** (Household Hazardous Waste) event will be held on **Saturday, October 3rd at Logansport High School from 9 a.m. to 12 p.m.**

The service is **FREE** for Cass County residents. Donations are appreciated.

Items accepted are, but not limited:

Oil based paints/stains, flammable liquids (gas/paint thinner/etc), insecticides, pesticides, corrosives, flammable solids, putty, adhesives, household cleaners, oxidizing solids (pool chemicals), fire extinguishers, driveway sealer, acids and bases, household cleaners, oil, oil filters, automotive fluids, fluorescent and mercury-containing bulbs, antifreeze, prescription and over-the-counter medicines (non-controlled), sharps (needles and lancets should be contained and labeled) aerosols, small propane tanks, non-hazardous material (soaps, lotions, etc).

Items not accepted are:

Electronics, asbestos, lab chemicals, explosives, ammunitions, infectious waste, radioactive material, large propane tanks, and latex paint. Latex based paint can be dried out and put in your regular trash as it is non-toxic.

If you have further questions about what you can bring, feel free to call the office. I'll be happy to answer your questions.
