

INDIANA **TECH**

Tuition Benefit for Floyd County Government Employees

Indiana Tech and Floyd County Government are working together to make pursuing a degree easier and more affordable. In partnership with Floyd County Government, Indiana Tech will award a 20% corporate scholarship for undergraduate or graduate tuition.

- Programs for associate, bachelor's and master's degrees.
- Undergraduate and graduate certificates in several business concentrations, including project management and marketing.
- Student success advisors provide one-on-one support and resources that help students stay on track.
- Classes start every six weeks. Take one class at a time and make rapid progress toward degree completion.
- Textbook rental included in tuition.

This scholarship can be applied to undergraduate- and graduate-level degrees, excluding Ph.D. It cannot be combined with an Indiana Tech Military Scholarship.
