Discuss dissolving this committee and monthly meetings for the following reasons:
 - a) Committee was primarily created for criminal justice reformation which has evolved and now become institutional. Communication pathways are in place and meetings occur as needed for this.
 - b) Since this committee was originally formed, we have created many other committees to do the work as needs have evolved.
 - c) We expanded quarterly meeting to two hours, allowing us more productivity with the full board and that has worked well.
 - d) I anticipate the need for additional committee/work groups in the near future.
 - e) We will call special meetings as needed.
 - d. **Faith Organization Outreach** – (standing committee) – Matt Lorch, Chair

- III. New Business
 - a. JRAC Survey response team needed
