

Documents needed with completed enrollment/questionnaire

These items are needed at your appointment or when you turn your enrollment in.
Bring all documentation that applies to you.

- Drivers license or identification card (Picture ID) for yourself
- Medicaid card for child / children, if on Medicaid
- Copy of Birth Certificate of child from the Health Dept.
- Any Court Orders, if any (including orders for...
paternity, child support, guardianship/custody, divorce)
- Paternity Affidavit from the hospital or health department, if any
This would be something signed by both parents at the hospital or health department and child may have been given the father's name
- Social Security cards of all children and yourself
- Petitions or motions that are currently pending through any Court, if any
- One enrollment will not cover more than one absent parent.
(An enrollment must be completed for each absent parent)

Note: If all needed information or documentation is not provided, your case may be delayed and you may be rescheduled and have to come in again for another appointment.
