195 146 438 191	x x x	x		Observed the establishment using reduced oxygen packaging without approval. The product was pickled cucumbers in a vacuum sealed bag. Establishment must discontinue selling reduced oxygen packaging products until a HACCP plan has been submitted and approved. Establishment may need to have product tested to determine the risk factors. Observed incomplete placard for baked goods in glass display jars. Packaged bread should also comply with code 146. If sold in bulk a single label would be sufficent. Allergen requirements will be added to the upcoming Food Code that is to be release in June 2024. Observed a pump sprayer without a label. Owner stated it was round-up. Observed the following items in not date marked: cooked noodles, whipped cream, chess bars. Potentailly hazardous foods must be dated for 7 days.						ots y 3 we e today	before continuing 3 weeks today today
