IN THE MATTER OF ORDINANCE NO. 2013-HCCO-27:

Ms. Michelle Martin, Chairman, Board of Directors of the Howard County Convention & Visitors' Bureau, asked that the Howard County Council approve Ordinance No. 2013-HCCO-27, an ordinance repealing Ordinance No. 1981-21, as amended and adopting an Innkeeper's Tax for Howard County pursuant to the Uniform Act. This will change the

Innkeeper's Tax rate from decreasing to 4% after December 31, 2013, to remaining at 5% on the gross retail income derived from lodging income. Mr. Murrell has reviewed this Ordinance and suggested several changes that have now been completed. A motion was made by Mr. Papacek to approve Ordinance No. 2013-HCCO-27 and to make the letter from Mr. Ham and Ms. Martin a part of the public record of this meeting. The motion was seconded by Mr. Ortman and carried. A motion was also made by Mr. Papacek to authorize the President to sign the Ordinance on behalf of the County Council. That motion was seconded by Mr. Singer and carried.

IN THE MATTER OF SHERIFF DEPARTMENT ISSUES:

Sheriff Steve Rogers submitted a copy of the Annual Report of the recent inspection of the Howard County Criminal Justice Center. Observations and recommendations were noted, as well as general comments at the conclusion of the report. IC 11-12-4-2 requires that the report be provided to County Officials. Sheriff Rogers commented that it is an outstanding report and that he is proud of the people that make it possible. It reflects not only the Department doing its job, but it also reflects the fact that individuals are choosing to go above and beyond in maintaining the facility.

Sheriff Rogers also submitted the September, 2013, Jail Commissary Fund Report. He reminded the Council that this fund is a discretionary fund directed by the Sheriff, but there are instances when it also needs the joint approval of the County's fiscal body. Sheriff Rogers is in the process of upgrading and replacing body armor. The Department has found a Federal Grant but it won't be enough to fully cover the expense. He would like to also use the Commissary Fund to assist with the expense and asks the Council's approval. Sheriff Rogers estimates the total project cost at \$39,000 for sixty-eight (68) pieces of body armor. The Grant will provide \$11,000. The remainder will be covered by the Commissary, which has a balance of \$162,695.66 as of September 30, 2013. The Council gave approval by consensus.

IN THE MATTER OF MISCELLANEOUS COUNCIL BUSINESS:

President Miller opened the floor for any Miscellaneous Council matters as follows:

Kathy Sickles: Ms. Sickles distributed information that she believes the Councilmen need to know, concerning "Sustaining the Earth". She asked that information be distributed to newly elected officials so that the information is passed along. She also asked that elected officials contact IVY Tech's Environmental Department for the latest health rulings, especially as it pertains to industrial wind turbines.

Ken de la Bastide: Mr. de la Bastide gave kudos to the Veterans Service Office of Howard County. For twenty-five years he has fought the VA, but through the local office in Howard County, the issue has been resolved and he is very appreciative.

Dr. Don Zent, Howard County Health Officer: Dr. Zent recognized the service of Dr. Thomas Scherschel for his twenty (20) years of service as a member of the Board of Health, and the ten years he served as the President of that Board. He was also a general surgeon for at least thirty years before retirement. A reception will be held in his honor on Monday, November 4, 2013, at 7:00 p.m. in the Government Center. The invitation is extended to the County Council and the Board of Commissioners. Dr. Scherschel has been a strong advocate of the Health Department and the Department has seen very positive changes during his tenure.

Attorney Larry Murrell commended Dr. Zent, as well, as the Howard County Health Officer. Howard County is fortunate to have such a distinguished medical doctor to be our Health Officer.

Councilman James Papacek updated the Council on recent changes the Small Business Grant Committee made to the Grant Criteria. One of the changes is that the grant recipient must be committed to stay in the downtown area for three years. If they leave the downtown area before the completion of three years, the grant money must be reimbursed to Howard County. There have been twenty-four grant recipients to date and many have stayed in the downtown area. Another change is that grant recipients are required to attend a course from the Small Business Development Center, at no charge to the business owner, which will help them with issues such as budgeting and marketing, etc.

Auditor Martha Lake clarified that the full-time position that Kinsey Youth Center asked for, earlier in the meeting, was budgeted for 2014 as a full-time position, effective January 1, 2014.

Councilman Jeff Stout recognized the work of Head Matron and Personnel Director Loretta (Ree) Moon at the Howard County Sheriff's Department. She has worked for the County for eighteen (18) years.

*There being no further business to come before the Howard County Council at this time,
the meeting was adjourned at 5:50 p.m. on a motion made by
Mr. Papacek and seconded by Mr. Stout.*
