

JENNINGS FAMILY RECOVERY COURT

A unique and specialized program
designed to support families
struggling with substance use and
addiction.

ABOUT US

Family Recovery Court is a team-based approach that involves professionals working together to support families in their recovery journey. The Court provides intensive supervision and support to families, including regular court appearances, drug testing, and monitoring of treatment progress. Families also have access to a range of support services.

BENEFITS

Comprehensive treatment ✓

Accountability and structure ✓
