

Jennings County Opioid Settlement Funding Proposal Template

Proposals will be reviewed twice yearly, January and July, commencing July 2023. Proposal to be limited to a scope of a one year project, with eligibility for application for additional funding yearly and dependent on available funds. Proposals will be required to follow the abatement guidelines and not supplant other grant funded projects.

Agency:

Agency Contact Persons:

Key Staff Overseeing Projects:

Proposal Narrative:

Current Funding:

(Describe if your agency currently receives any grant/county funding and if additional funding received from the opioid settlement would be considered supplanting.)

Identified Needs and Action Plan:

Project Timeline:

Progress Measurement:

(Describe how you will measure the progress of project, if applicable, and how you will report said measures to the Jennings County Commissioners and JRAC.)

Conclusion:

Proposed Budget

Please outline a budget for your proposal and include the estimated price and justification for each budgeted item/amount requested. Any supplemental documentation such as invoices, contract, etc. should be provided if available.

Current Operating Budget

Please attach your current itemized operating budget that includes all your funding sources.
