

**FARMER'S TANGIBLE PERSONAL
PROPERTY ASSESSMENT RETURN**

State Form 50006 (R28 / 11-24)

Prescribed by the Department of Local Government Finance

FORM 102**PRIVACY NOTICE**This form contains confidential
information pursuant to IC 6-1.1-35-9.**JANUARY 1, 2025**

For Assessor's Use Only

For taxpayers with less than \$80,000 in acquisition costs to report within the county, IC 6-1.1-3-7.2 exempts this property. If you are claiming this exemption, check this box, enter the total acquisition cost of your personal property in the county, and complete only sections I, II, and IV of this form. If you are claiming this exemption through this form, you must also file Form 104. If you filed a return and claimed this exemption in a previous assessment year and you continue to qualify for this exemption, no return is required.

☐ \$ _____

If property is in more than one (1) location, what is the address for the location where the sum of acquisition costs for the property is greatest within the same county?

An exemption granted under IC 6-1.1-10, or any other statute supersedes this exemption. A taxpayer whose personal property is exempt because it was granted an exemption by the county must follow all applicable procedures for the approved exemption, which includes completing the personal property return. No return is required for a church or religious society if a return has been filed for five (5) consecutive years and continues to meet the requirements of a granted exemption.

INSTRUCTIONS: This form must be filed with the township assessor, if any, or county assessor of the county in which the property is located not later than May 15, 2025, unless an extension of up to thirty (30) days is granted in writing. A Form 104 must be filed with this return.

SECTION VI

Information of Not-Owned Personal Property

NOTE: This section is for the reporting of five or less lease agreements. For other leases, the Form 103 – N (for the lessee or the person in possession) and the Form 103 – O (for the lessor or the owner of the equipment) should be utilized. For more information on the reporting of leased equipment, refer to 50 IAC 4.2-8.

NOTE: Failure to properly disclosure lease information may result in a double assessment. (IC 6-1.1-2-4(a))

Please Check Only One (1):

- ☐ Operating Lease which is assessable to the owner of the equipment (not assessed on this return).
- ☐ Capital Lease which is assessable to the person in possession and is assessed on this return.

Name and Address of Owner	Location of Property	Date of Lease (month, day, year)	Model Number & Description	Reported on Line Number	Cost, if Known

CLOSED BUSINESS1. Has this business closed? ☐ Yes ☐ No

2. Date of business closure: _____

NOTE: If your business closed and you did not sell the personal property, consult with 50 IAC 4.2 to determine if an assessment should still be filed.

CHANGE IN STATUS BY THIS TAXPAYER SINCE THE LAST ASSESSMENT DATE (SOLD OR MOVED)*If personal property reported in this taxing district last year has either been sold or moved to another location, no return reporting an assessment is required.*

NOTE: In order to reduce the possibility of an estimated assessment and a penalty for failing to file a return, taxpayers may elect to inform the assessor when personal property is sold or moved out of a county. If the business is closed, you still hold title to the property, and the property is still physically located within the taxing district, an assessment may be required. The assessment of a closed business is fact sensitive and would be handled on a case-by-case basis.

6. If you sold all of your personal property to another owner, did it remain in the same taxing district? ☐ Yes ☐ No ☐ N/A

7. If you sold all of your personal property to another owner and it remained in the same taxing district, who is the new owner?

8. Do you still own personal property that was moved from this taxing district? ☐ Yes ☐ No ☐ N/A

Filing Basics:

- **Taxpayers now have the opportunity to file personal property returns online at: www.ppopin.in.gov.**
 - Indiana's personal property tax system is a self-assessment system; therefore, it is the taxpayer's responsibility to file this form in a timely manner. The necessary forms are also available on the Department's website at: <https://www.in.gov/dlgf/forms/dlgf-forms/>.
 - Personal property must be assessed in each taxing district where property has a tax situs.
 - For taxpayers with less than \$80,000 in acquisition costs to be reported within a county, Ind. Code § 6-1.1-3-7.2 exempts this property. If you are claiming this exemption through this form, you must also file Form 104. If you filed a return and claimed this exemption in the previous assessment year and you continue to qualify for this exemption, no return is required.
 - Fully depreciated assets that are still in use but have been written off should be added back. Depreciation expenses are claimed for income tax purposes while assets are assessed for property tax purposes until the asset has been retired from use.
 - The use of the asset is the key. The grain bin, used for storage, is classified in 50 IAC 4.2-4-10 as real property while the legs and other loading/unloading systems are classified as part of the machinery and equipment which is assessed as personal property. The same logic would apply to automated feeding and watering systems in livestock or poultry buildings, as their use pertains to the operation and not the structure of the building.
 - Inventory located in the State of Indiana is exempt and is not required to be reported per Ind. Code § 6-1.1-1-11(b)(3).
 - To locate contact information for the various county offices (assessor, auditor, and treasurer), go to: <https://www.in.gov/dlgf/contact-your-local-officials/>. To learn more about Indiana's personal property tax system, go to: <https://www.in.gov/dlgf/assessments/personal-property/>.
 - Taxpayers may request up to a thirty (30) day extension to file their return. The written request should be sent to the assessor before the filing deadline of May 15, 2025, and should include a reason for the request. The assessor may, at their discretion, approve or disapprove the request in writing.
 - Taxpayers who discover an error was made on their original timely filed personal property tax return have the right to file an amended return. The amended return must be filed within twelve (12) months of the due date or the extended due date (if up an extension was granted) of their original return. The deadline to amend this return, if no extension has been granted, is May 15, 2026.
 - If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing Form 103 – N, attaching it to Form 102, and filing it with the assessor. A taxpayer declaring the exemption on Page 1 of this form may, as deemed necessary by the applicable assessor, needs to file Form 103 – O or Form 103 – N, as applicable, to verify that the individual is the appropriate taxpayer to claim the exemption.
- NOTE: Failure to properly disclose lease information may result in a double assessment. (IC 6-1.1-2-4(a))
- Failure to file a return or be granted an extension of time to file a return by May 15, as required by law, will result in the imposition of a twenty-five dollar (\$25) penalty to the person's next property tax installment. Effective May 1, 2024, an additional penalty will be added to the overall tax liability, as calculated below:
 - If the return is filed before November 15, the lesser of 10% of the taxes due or \$10,000; or
 - If the return is filed after November 15, the lesser of 20% of the taxes due or \$50,000.
