#### Program Fee(s) Disclaimer -

*Program components that assess user fees under IC 31-6-4-18, IC 35-38-2-1, or IC 35-38-2.5-6, or collect any other user fee from a participant in a community correction program component shall provide to the department of correction, for approval, a written fee schedule, approved by the local advisory board, for each program component. The fee schedule shall specify how the fees are determined, including the rationale for determining the minimum and maximum amounts assessed for each program and the policy for serving the indigent population. If a participant is released unsuccessfully overpayment of fees are non-refundable. However, if a participant's sentence is modified overpayments will first be applied to other open accounts and remaining balance will be returned to participant.*
