PETITION TO VACATE A REGULATED DRAIN

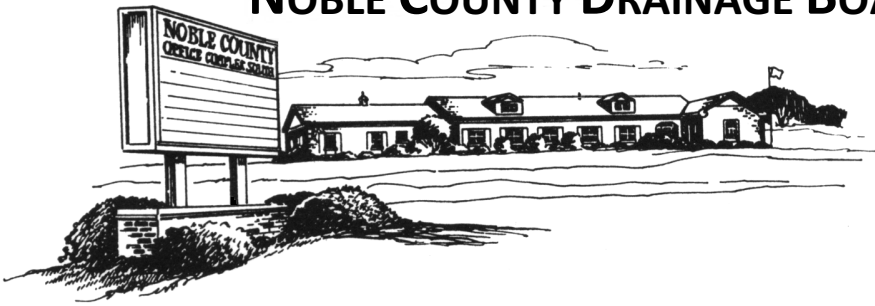

We, the undersigned, being owners of lands affected by a regulated drain located in _____ Township, Noble County, Indiana, do request the Noble County Drainage Board to vacate a regulated drain, as specified in the Indiana Drainage Code (IC 36-9-27-37). The location of said drain is more specifically described as follows:

All that portion of the “_____ \ _____ System,” being located _____ in the _____ Quarter of Section _____, _____ Township.

We realize that a public hearing must be held by the Noble County Drainage board to consider all of the evidence for or against this request. Since this request is primarily to initiate that procedure, we reserve the right to remonstrate against any inequities to us or our lands as prescribed by the Indiana Drainage Code (I.C. 36-9-27-37). We also realize that if all landowners affected by this vacation sign the petition, then the public hearing will be held at a regularly scheduled Drainage Board meeting.
