Jim Meece made a motion to approve the following claims to be processed outside of the regular claims cycle. Bruce Hartman seconded the motion and it carried unanimously.
 - Parke Circuit Court Judge Sam Swaim voiced concerns regarding the work to replace the driveway on the southside of the Courthouse which is scheduled to begin on Tuesday, August 1st, 2023. Judge Swaim stated there are 40 cases scheduled on that day, and the noise from the jack hammer would have a negative impact on the court being able to do handle those cases. Don Pruner is to contact the contractor and have the date to start the job changed to Wednesday, August 2nd, 2023. In addition, the Parke County Annex Building #1 (aka: Emergency Operations Center /EOC) has been reserved for the Circuit Courts' use on Wednesday, August 2nd, 2023 if needed.
 - Sandi Wallace has been working with Emergency Management Director Chris O'Brien to re-start the EMA/LEPC program to provide training volunteers so they would be able to assist during emergencies in Parke County. Training would be provided by FEMA at no cost to Parke County, there are 12 volunteers ready to sign-up for training. Volunteers would cover various tasks until first responders arrive on a scene, two individuals have agreed to provide the training, Randy Kneeland and Jayson Ryan, both have facilitated training in the past. Sandi Wallace and Chris O'Brien will work on a proposal for the program, and submit it for the Board of Commissioners and Nick Sauter to review.
- VI. **OLD BUSINESS:**
 - County Auditor Mary Anne Wood, reported that payments for the Union Hospital Clinton Security program have continued to be received even though the County Council recommended the contract between Union Hospital Clinton and Parke County be terminated. Jim Meece was at the County Council meeting on Thursday, May 11th, 2023 and after some discussion, he agreed that the contract should be terminated.

Union Hospital Clinton is no longer remitting any monies towards the employer portion of the police pension retirement for Parke County Deputies, therefore a separate payroll is being processed for the Union Hospital Security compensation in order to remove the police pension withholdings and deductions, as well as, any duplicate bi-weekly deductions for Deputies working this security detail.

Per Nick Sauter, Union Hospital Clinton must be notified in writing by Monday, August 21, 2023 of Parke County's intent to terminate the contract for the Security Services.

It is recommended that Deputy's should be hired as independent contractors and Union Hospital would provide a 1099 for the services rendered.
