THE AMERICANS WITH DISABILITIES ACT AND  
SECTION 504 OF THE REHABILITATION ACT OF 1973**

**Employment:** Parke County does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I ADA.

**Effective Communication:** Parke County will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the Parke County programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

**Modifications to Policies and Procedures:** Parke County will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in the Parke County offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communications, or a modification of policies or procedures to participate in a program, service, or activity of the Parke County units of government, should contact the office of **Randy Norman, Highway Superintendent/ADA Coordinator, 306 N Lincoln Rd., Rockville, IN, 47872** or by calling **765-569-5321**, as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require Parke County to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of Parke County is not accessible to persons with disabilities should be directed to Randy Norman, ADA Coordinator.

Parke County will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
