## Minutes for November 6, 2023

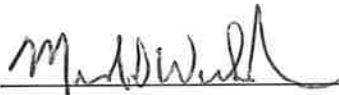

Mike Wickersham calls the Drainage board meeting to order. Let the record reflect that it is 12:08 p.m. The first item on the agenda is to Approve the Minutes for our Monday, October 16, 2023 Meeting. Gary Girton makes a motion to except the minutes as presented. Gary Friend seconds, Motion is approved. Motion Carries.

Mike states that the next item on the agenda is the Surveyors report. Mike says I see we are missing our Parker City sub division people. Ed says we had to push that back. I am actually meeting with the architect Thursday. The only other thing that we have going on is we have our overflow in at Willows Edge. We got that drain in this week, I don't know if they have it hydro-seeded yet or not. And have been in communication with some of the neighbors that are property reperceives on the west side of Huntsville road about taking care of that problem that Peterson pond has caused back in the begging. Mike said it all runs into that open ditch there. Ed says, it is all up in that open swale, but if we keep it all on the west side we can put it in to that 36-inch tile that come up Huntsville Road. I couldn't get the land owners involve before but it looks like we maybe able to get some where now. I'm still trying to get

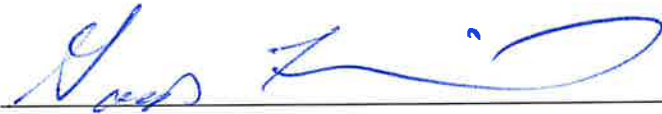

ahold of the engineers in Parker north of the highway. Its moving slowly but we are making some headway. We are also getting ready to do the repair project behind the Parker nursing home. Ed says that's basically all we have right now. Mike ask if there are any questions for Ed. No-one has anything.

Gary Friend makes a motion to adjourn the meeting. Gary Girton seconds, motion carried, meeting adjourned.

Signed this 4<sup>th</sup> day of December, 2023 in the Randolph County Commissioners Room, Winchester Indiana.
