Minutes for September 5, 2023

Mike Wickersham calls the Drainage board meeting to order. The first item on the agenda is to Approve the Minutes for our Monday, August 7, 2023 Meeting. We received these via E-mail, are there any additions, corrections, or deletions to those minutes. Gary Girton makes a motion to except the minutes as presented. Gary Friend seconds, Motion is approved. Motion Carries.

Mike states that the next item on the agenda is the Surveyors report. Ed says at this time most of our projects are hanging fire. I was out this morning checking on what they got done at the Silver Town plant, they are not finished on what they are doing. I've got a ditch replacement that we are looking at on 500 South West of 27 we are still in the process of dealing with the land owners on what to do. Mike ask about Tangle Wood subdivision in Parker City. Ed says we are looking at possible progress at this time. I talked the people at Ashton and the people that are wanting to further develop, the like the idea of expanding the ditch and hooking into it to help their water problems. Tangle Wood is going to have to do some expansion on their drainage. The water from there is

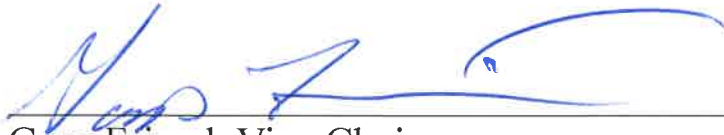

going that direction any way. It is probably blocked by tile failure due to utility. A new tile takes care of that any way. I haven't put together a proposal yet, but I'm thinking this may be a proposed ARPA project. Ed says I also met with Gordon Moore last week on Tom Chalfant Subdivision on the South end of Parker City and they are making headway.

Gary Friend makes a motion to adjourn the meeting. Gary Girton seconds, motion carried, meeting adjourned.

Signed this 2nd day of October, 2023 in the Randolph County Commissioners Room, Winchester Indiana.
