## **Minutes From November 2, 2020**

Thomas E. Chalfant calls the Randolph County Drainage Board meeting to order. Thomas E. Chalfant asks the Drainage Board if there are any additions, corrections, or deletions to be made to the October 5, 2020 minutes. He will accept a motion to approve the minutes, Gary Girton made a motion to approve the minutes, Mike Wickersham seconded the motion, motion carried.

**Clem Street Lateral** - Ed reports that he will be getting in contact with John Stanley. John has left a couple messages. Ed said that everyone is ready to start the project but no one has shown up yet.

**Bob McCoy** - The bridge on East South Street (the bridge down from the jail) that was rehabbed, there are still some complaints as to whether that project was fixed correctly. Bob reported that Chris Martin has looked at it; neighbors have looked at it. Bob said that he has some drawings here. He has talked to Judy and Gary Anderson and told them he would bring it before the Drainage Board to review. Bob said that there is a time limit as to when we can get something done with it; that deadline is coming up. Ed said that he would look at it; Ed said that this is the first time that he has heard that there was a problem. Bob thinks if we are able to do any rehab in that area it will alleviate some of the water. Ed asked Bob if he knew what the problem was and Meeks Cockerill said Chris Martin explained that it just drains slow. Ed said that he would be glad to talk with Chris Martin. Meeks commented that it drains really fast; Meeks said it just fills up but no water sits there hours on end.

Thomas Chalfant says if there are no further questions or comments, he will accept a motion to adjourn the meeting, Gary Girton made a motion to adjourn the meeting, Mike Wickersham seconded the motion, motion carried, meeting adjourned.

Signed this 21st day of December, 2020.
