PERMIT NO. _____

APPLICATION FOR THE PLACEMENT OF A DRIVEWAY CULVERT IN A COUNTY ROAD DITCH

In accordance with Spencer County Ordinance No. 2000-4 as amended by Ordinance 2020-1, application is hereby made by the undersigned for permission to place an enclosed storm drainage pipe in a road side ditch on the N S E W side of County Road _____, being approximately _____ feet N S E W of the intersection of County Road _____ and County Road _____.

THE UNDERSIGNED APPLICANT HEREBY AGREES TO THE FOLLOWING TERMS AND CONDITIONS

1. Minimum size of any storm drain placed in county road ditch shall be fifteen (15) inches in diameter or of equivalent area to a fifteen (15) inches diameter round pipe. The area required shall be determined by the County Highway Administration.
2. The minimum length of a driveway pipe or culvert shall be twenty (20) feet.
3. No surface drainage shall be channeled onto the road surface after installation is completed.
4. Maintenance and repair of the storm sewer shall be the responsibility of the landowner.
5. The applicant agrees to assume responsibility and shall covenant the same along with the sale or transfer of the subject property.
6. If the storm sewer becomes inadequate, or obstructs drainage of county road right-of-way, the County Highway Administration may issue an order for repair of the structure. If proper repairs have not been made within 30 days from the date of issuance, the Spencer County Commissioners reserve the right to order the structure removed by the Spencer County Highway Department.

LOCATION OF THE PROPOSED DRIVEWAY CULVERT SHOULD BE MARKED WITH FLAGS OR STAKES AT THE TIME APPLICATION IS MADE.

HAS LOCATION BEEN MARKED? _____ Yes _____ No
