# INDIANA GUARD RESERVE

## "GRIFFINS"

### Indiana Guard Reserve Qualifications

Now is your opportunity to become a member of the Indiana Guard Reserve. We are looking for citizens just like you, men and women who once served in the military services or those that would like to, but missed their chance. You can now serve by becoming a member of the IGR!

You may apply if:

- You are 18 - 65 years of age
- You are a U.S. citizen
- Have a high school diploma or GED
- Are in good health.
- Have no felony convictions
- Have no pending charges
- Have good moral character
- A desire to serve your community

### Period of Enlistment

All periods of enlistment or reenlistment in the Indiana Guard Reserve are for three (3) years.

### Our Missions

In recent years, Indiana Guard Reservists have sorted and distributed clothing and hygiene items for refugees during Operation Allies Welcome. They have also been Range Safety Officers for the Indiana National Guard and the NRA.

### Who are we?

The Indiana Guard Reserve (IGR) is the State Defense Force for the State of Indiana. The purpose of the IGR is to augment the National Guard during emergencies within the state, especially when some or all of the National Guard is deployed.

The IGR has a lot of soldiers that were former members of the National Guard and other military services, but military experience is not a necessity. IGR soldiers are attorneys and teachers, police officers, firefighters, students and everything in between.

Being a member of the IGR is a way to "give back" to your community, while experiencing the commitment and camaraderie of a military unit.

### We want you!

Join other Hoosiers who are committed to protecting the people of Indiana during an emergency. Work alongside your friends and family who are giving their time and expertise to help our communities.
