RE: AIR PERMIT APPLICATION FOR MPS EGG FARMS, STRAUSS FEEDMILL

Dear Commissioners,

On behalf of my client, MPS Egg Farms (MPS), I would like to inform you that MPS has applied to the Indiana Department of Environmental Management, Office of Air Quality for a permit to operate its prepared feeds production facility and to construct a new prepared feeds production facility at 648 E 1100 N in North Manchester, Indiana. The proposed emissions from this project are require the Indiana Department of Environmental Management (IDEM) to issue a permit under Indiana's air quality permitting regulations found at 326 IAC 2.

Under Indiana Code 13-15-3 this letter is being sent as notification to you, as a local government official, that MPS submitted the required application to IDEM on November 25, 2024.

A copy of the application submitted to IDEM was also provided to the North Manchester Public Library located at 405 N Market Street in North Manchester.

If you need any additional information, please contact me at (317) 344-9730.

Sincerely,

Bernard Paul
