*Michael R. Smolek*

July 19, 2023

The White County Commissioners are requesting quotes from contractors to remodel an office area in the basement of the White County Building as a storage room. We are looking for a contractor that will refinish the concrete floor and add walls to make individual rooms. Contractors must be insured. For further information on specs, please call the White County Commissioners' Office at 574-583-4879.
