We hope this will get you started and help make your experience positive and rewarding.

For your convenience we have included an **Election Calendar** in your packet. This calendar contains important dates that you may want to reference.

In addition to the calendar, we have included a **Campaign Finance Schedule**. This schedule contains important information and dates to file your campaign finance reports. It is highly recommended that you reference this schedule to ensure your reports are filed on time and to avoid penalties.

Please note, even though you have received this complimentary packet, it is still the ***candidate's sole responsibility*** to ensure they have all of the required documents, forms and information needed.
