In accordance with the Schedule of Fees shown on the second page of this sheet, a check in the amount of \$_____ is attached. If, in completing the work, a wider cut is made in the surface than that specified on this application, any additional amount due will be remitted to the White County Highway Department upon completion of the project.

A Bond as required pursuant to Ordinance 0005-15-01, and any amendments thereto, shall be filed prior to applicant's opening or damage, and shall remain in effect for a period of five (5) years from the date of completion of said work (is attached)(is on file with the White County Highway Department). A Standard Bond Form shall be used and Bond Shall be made payable to the Board of Commissioners of White County.

RESPONSIBILITY. If the inside face of trench is within three (3) feet of the edge of the road surface, I hereby agree to back fill the trench of the said opening with bank run gravel or crushed stone, which will be thoroughly compacted by tamping in layers not to exceed four (4) inches in depth to within twelve (12) inches of the present surface and to dispose of all surplus material and also to replace the remaining twelve (12) inches within the trench opening as per existing conditions prior to making trench, except that portion of the trench which is in the traveled road, the remaining twelve (12) inches will be backfilled with coarse gravel or crushed stone, maintained in a smooth and uniform condition for a period of not less than four (4) weeks after traffic is again permitted to pass over the filled trench, until such time the surface shall be replaced to existing conditions unless otherwise provided by special provisions.

For any cut other than the aforementioned conditions, I hereby agree to backfill the trench of said cut by thoroughly tamping the backfilling in layers not exceeding four (4) inches deep, unless provided by special provisions.

I FURTHER AGREE:

To furnish a drawing showing size, type, controlling dimensions, etc., of the proposed improvement relative to existing pavement, existing structures, existing right-of-way, and existing utilities;

To erect and maintain all necessary barricades, detour signs and warning lights, as set out in Section D of the Indiana Manual on Uniform Traffic Control Devices, to safely direct traffic over and around that part of the road where the above described work is to be done, so long as the work in any way interferes with traffic;

To move or remove any structures installed under this permit, should future traffic conditions or road improvements necessitate and when requested to do so by the White County Highway Superintendent;

To assume all responsibility for any injury or damage to persons or property resulting directly, or indirectly, from the work contemplated in this application.

To notify the White County Highway Superintendent **24 hours** in advance of the time of beginning the work done under this permit;

To restore the County property cut into or damaged, including said road and lateral cuts by applicant to its condition immediately prior to the applicant's damage or cut to the satisfaction of the White County Commissioners and the White County Highway Superintendent.

GRANT OF PERMIT TO CUT INTO WHITE COUNTY RIGHT-OF-WAY
