In the Matter of the Petition of the Courts of
Perry County for Administrative Rule 17
Emergency Relief

Supreme Court Case No.
20S-CB-181

Order Approving Expansion of Operations Plan

By orders issued April 24 and May 13, 2020, this Court ordered trial courts statewide to submit plans for gradually resuming normal operations under limitations appropriate to the 2019 novel coronavirus (COVID-19) public health emergency. Pursuant to that order, the petitioning court(s) filed an amended expansion of operations plan (“Plan”) on June 12, 2020.

The Court finds that the Plan was made in coordination with appropriate local authorities and local justice system partners to account for local health conditions, facility readiness, and litigants’ needs; and that the Plan makes reasonable provisions for resuming normal staffing, providing public access to non-confidential proceedings, and resuming jury trials. A copy of the Plan is attached to this order and incorporated by reference.

Being duly advised, and pursuant to Indiana Administrative Rule 17 and this Court’s inherent authority to supervise the administration of all courts of this State, the Court ORDERS as follows:

1. All emergency relief previously granted to the petitioning court(s) under Administrative Rule 17 is deemed to expire as of the effective date of this order, except as provided by this Court’s “Order Extending Trial Courts’ Emergency Tolling Authority and Setting Expiration of Other Emergency Orders” issued May 29, 2020 in Case No. 20S-CB-123. However, this Court’s May 13, 2020 “Emergency Order Permitting Expanded Remote Hearings” and paragraph 3 of its May 13 “Order Extending Time for Expanding Trial Court Operations” in Case No. 20S-CB-123 (prohibiting jury trials before July 1 without prior approval of this Court) remain in full force and effect.
2. The Plan is approved, and the petitioning court(s) shall comply with its terms through its stated duration, subject to further order of this Court.

Done at Indianapolis, Indiana, on 6/15/2020, effective **May 11, 2020**.

 - p. The courtrooms will be sanitized after each court hearing.
 - q. Hand sanitizer shall be placed on each attorney table and made available for all parties.

5. Jury Trials:

- a. All jury trials shall take place at a remote location to ensure social distancing.
- b. All jury trials will be lived streamed via You Tube.
- c. During jury selection, potential jurors will be called at specific times, in limited numbers of twelve, to ensure social distancing measures can be accomplished.
- d. Facial coverings will be offered to potential jurors.
- e. The court will make time between juror selection to clean and sanitize all areas potentials jurors will be or have been.
- f. All potential exhibits, plea agreements and/or stipulations of facts, shall be emailed to the Court Administrator prior to court hearings. Any confidential material shall be brought to the hearing that day. All material submitted to the court shall be disinfected prior to submitting the evidence or materials.
- g. Criminal jury trials will be prioritized based on the oldest cases with individuals who have been incarcerated for the longest time on the most serious charges. Speedy trial requests will also be given priority.
- h. The Court will send potential jurors a letter to describe the jury selection process and the steps that will be taken to assure their safety as potential jurors.
- i. The Court will allow deferrals for those in high-risk categories if requested.

- j. Meals will be provided to those selected to serve as jurors to avoid additional contact with the public.
 - k. Potential jurors will undergo the same initial screening that all individuals who enter the courtroom undergo and that screening will continue daily throughout the trial process.
 - l. All jurors will be provided with gloves, hand sanitizer, and facial coverings during their service.
 - m. Deep sanitizing of the location where the jury trial is being held will occur nightly and light sanitizing will occur between witnesses and at breaks for public health purposes.
6. The plan is intended to enable the Perry Circuit Court to hear all cases while continuing to build the ability to do things differently in a safe and effective manner.
7. This plan is subject to change at the direction of the Indiana Supreme Court and guidance from the State of Indiana.

Perry County Community Corrections

COVID-19 plans to resume operations of the office

Currently, all Perry County Community Corrections staff are working from home. The office is closed to the public. Drug testing has stopped. Clients are being seen by phone and virtually via Zoom. Home visits also ceased at this time.

Beginning May 18, 2020, Perry County Community Corrections will begin to resume partial operations in the office.

STAFF:

One staff member will be in the office a week at a time, Monday – Friday 8am-4pm. The four full time staff will rotate a week on/off at a time. The office will be closed for lunch daily. The staff member assigned to work, must take her temperature before coming to work. If any staff member has a fever, they will not be able to work. If any staff member has any COVID-19 symptoms, she will not be permitted to work and another staff member will take her place in the office. Staff must wear a mask and practice social distancing when in contact with others. Staff will wash their hands frequently when in the office and sanitize the office before leaving for the day.

If the Director would contract COVID-19 or be required to be quarantined; Donna Bryant, Case Manager will assume the duties of the Director.

OFFICE:

Plexi glass is to be installed at the administrative assistance's front desk. Tape will be put down on the floor to indicate social distancing requirements of those entering the office. Hand sanitizer will be provided for staff and clients in the Detention Center Lobby and in the Community Corrections Office. The office will be sanitized daily. Once clients begin to enter the office, the office will be sanitized between each client as well as at least once daily.

CLIENTS:

Staff will continue to have contact with clients via phone and/or virtual appointments. Virtual appointments are being done on Zoom. This process will continue until at least June 1. This could be extended depending on COVID-19 cases. When one-on-one appointments resume with clients, staff and clients will be required to wear masks and practice social distancing. The client will be required to stay in their vehicle and call the office to check in. Once the case manager is ready to see the client, the case

manager will call the client to give them further instructions. When appropriate, staff will meet the client outside at a 6 foot distance for their appointment. If outside conditions are not suitable for this, the case manager will sit behind the glass in the Administration area of the Perry County Detention Center and the client will remain in the lobby. Once clients are allowed access into the office, the client will remain in the seating area of the office at the 6 foot distance marked location and the case manager will stay behind the plexi glass to be installed at the administrative assistance's desk. Zoom meetings will continue for ill and/or at risk clients. Masks or facial covering must be worn by all individuals. If a client does not have a mask/facial covering, the appointment will be rescheduled. Clients will be required to notify staff of any COVID-19 symptoms prior to their appointment. If a client has any COVID-19 symptoms, his/her appointment will be rescheduled.

DRUG TESTING:

Drug testing will begin to be done virtually as early as May 11, 2020. Supplies will be sent to clients' homes where the test will be observed virtually by the drug screen collector via Zoom. For clients that don't have access to Zoom, beginning May 18, the client will be required to report to the office and stay in his/her vehicle. The client will call from their vehicle to check in and wait for further direction from the drug screen collector. The drug screen collector will be observing the testing at a 6 foot distance. All drug screens will be oral until further notice. All staff and clients are required to wear a mask/facial covering.

HOME VISITS:

Home visits do not have a date to resume at this time. Once home visits resume, the field officer will not be making entry in the home. The client will be asked to step outside on the porch or in the yard and maintain 6 foot social distancing to meet with the field officer. The field officer will not be conducting home searches or administering breath tests or drug screens until further notice.

COVID-19 Conditions and Preventions Plan

Currently, the probation staff has limited staff in office, drug testing has stopped, and the courthouse is closed to the public. Clients are being seen by phone and virtually via Zoom. Home visits also ceased at this time.

On May 18th, 2020, The Perry County Probation Department will still refrain from face to face visitation unless it is deemed appropriate, the client has no symptoms, and the PO feels it is an emergency. We plan to keep limited staff, as there are only two PO's in our county and one of us has to be here.

- May will be by phone unless an emergency.
- June will be high risk clients face to face.
- July back to normal.
- Drug screening is being done by orals through zoom starting 5/11/20. This will continue until June or we see fit. Once it resumes in full we will still be following what is recommended by the courts, CDC, and state.
- Limited staff through May and the first part of June. Each staff member will take turns, there is a schedule in place.

Rules in the office:

1. Wear a mask when coming in contact with individuals. Whether it be screens, individual appointments, etc.
2. Please make sure if you are having any symptoms you call Brandi immediately, you will have to leave work if you have any symptoms or have been exposed.

3. Ensure you wear gloves and sanitize when new people sign up for probation. Try to limit their time in probation. If you can put their info in the system without them filling out any paperwork, GREAT!
4. Sanitize after each individual leaves your office or leaves after a screen.
5. Appointments need to be at least 45 minutes apart.
6. Drug screens one person in the building at a time. Then limit to only 5-10 per day. Once the oral video screens stop.
7. Check-ins after court will call in instead of reporting after.
8. A letter was sent to all clients with stipulations and precautions regarding the virus and recommendations.
9. All PSI Interviews will be over phone or video until further notice.
10. All random home visits will be suspended until further notice. Unless it is deemed an emergency by CPO.
11. Take steps to minimize shared use of materials i.e. pens, paper, phones, etc.
12. The Probation door will be closed to the public and will have to be checked in through the courts and asked a series of questions before being cleared to enter.

If the Chief Probation Officer would contact COVID-19 or be required to be quarantined; Amanda Young, Probation Officer will assume the duties of the Chief at this time. The Chief should remain available via phone unless they are incapable.

PERRY COUNTY CASA PROTOCOL FOR COVID-19

- All in person/contact visits will be discontinued until further notice and guidance from the State of Indiana.
- In order to continue advocacy, CASA's are encouraged to check-in with their children regularly using whatever technology is available to them such as, but not limited to, Facetime, Zoom, Skype, telephone, text, email, etc.
- All meetings will take place remotely. Visitors to the courthouse are restricted at this time. Meeting with the Department of Child Services will also occur remotely or via telephonic conference.
- When hearings are held, CASA will be represented by the CASA Director only.
- All CASA's are encouraged to contact the CASA Director with any and all questions and concerns they may have by text, telephone or email.
