

In the Indiana Supreme Court

In the Matter of the Petition of the
Crown Point City Court for
Administrative Rule 17 Emergency Relief.

Supreme Court Case No.
20S-CB-207

Order Approving Expansion of Operations Plan

By orders issued April 24 and May 13, 2020, this Court ordered trial courts statewide to submit plans for gradually resuming normal operations under limitations appropriate to the 2019 novel coronavirus (COVID-19) public health emergency. Pursuant to that order, the petitioning court(s) filed an amended expansion of operations plan (“Plan”) on June 22, 2020.

The Court finds that the Plan was made in coordination with appropriate local authorities and local justice system partners to account for local health conditions, facility readiness, and litigants’ needs; and that the Plan makes reasonable provisions for resuming normal staffing, providing public access to non-confidential proceedings, and resuming jury trials. A copy of the Plan is attached to this order and incorporated by reference.

Being duly advised, and pursuant to Indiana Administrative Rule 17 and this Court’s inherent authority to supervise the administration of all courts of this State, the Court ORDERS as follows:

1. All emergency relief previously granted to the petitioning court(s) under Administrative Rule 17 is deemed to expire as of the effective date of this order, except as provided by this Court’s “Order Extending Trial Courts’ Emergency Tolling Authority and Setting Expiration of Other Emergency Orders” issued May 29, 2020 in Case No. 20S-CB-123. However, this Court’s May 13, 2020 “Emergency Order Permitting Expanded Remote Hearings” and paragraph 3 of its May 13 “Order Extending Time for Expanding Trial Court Operations” in Case No. 20S-CB-123 (prohibiting jury trials before July 1 without prior approval of this Court) remain in full force and effect.
2. The Plan is approved, and the petitioning court(s) shall comply with its terms through its stated duration, subject to further order of this Court.
