Dear Colleagues:

Thank you for your continued hard work and patience as we have faced the challenges of the COVID-19 pandemic and what have been several especially dark recent months.

But conditions statewide are improving, and while we must remain vigilant and safe, we write to tell you to begin planning for the statewide order suspending jury trials to expire on March 1. It will not be extended.

You will still have the authority to adjust your calendars based on local conditions. Please refer to the [Court's November 10, 2020 Order on Continued Emergency Actions](#) for guidance on that authority and to the [Court's COVID-19 website](#) for additional resources from the Resuming Operations Task Force on safely moving cases as local conditions allow.

We stand ready to assist you as you continue your essential work. Please continue to take care of yourselves.

Sincerely,
