

In the Indiana Supreme Court

In the Matter of: Theodore E. Rokita,
Respondent

Supreme Court Case No.
25S-DI-29

Order

The Commission filed a disciplinary complaint against Respondent on January 31, 2025. Respondent moved to dismiss that complaint on February 20, 2025. The Commission now files a “Motion for Extension of Time to Respond to Respondent’s Motion to Dismiss,” seeking an additional sixty (60) days from the date the Commission filed its motion in which to respond to the motion to dismiss. The Commission’s motion indicates Respondent has no objection to the requested extension.

Being duly advised, the Court GRANTS the Commission’s motion and extends its deadline for responding to Respondent’s motion to dismiss to and including April 28, 2025.

Done at Indianapolis, Indiana, on 3/3/2025.
