Judges and Allocating Service Days for
2024

Supreme Court Case No.
23S-MS-387

Order Appointing Senior Judges and Allocating Senior Judge Service Days

Administrative Rule 5(B)(1) provides that the Indiana Supreme Court may appoint all senior judges certified by the Judicial Nominating Commission to serve in the Court of Appeals, the Tax Court, a circuit court, a superior court, or a probate court.

IT IS, THEREFORE, ORDERED that all senior judges certified by the Judicial Nominating Commission for service in 2023 are appointed to serve in the Court of Appeals, the Tax Court, or any circuit, superior, or probate court during 2024.

Additionally, Administrative Rule 5(B)(2) provides that the Court shall annually fix the number of senior judge days each court may use, based on the recommendation of the Court's Chief Administrative Officer, using the weighted caseload measurement system, the annual statistical reports, and other relevant criteria such as committee and Judicial Conference assignments, prior usage, and medical needs.

Senior judges are an important resource available to trial court judges to manage their caseloads. Because the Court wishes to continue encouraging the use of senior judges as a resource where backlogs persist, **the baseline for 2024 is increased to twenty days**. Any court needing additional days to implement plans to utilize senior judges for case backlogs should contact the Office of Judicial Administration as explained below.

Requests for Additional Days. The burden is on the trial court judge to ensure that their use of senior judge days does not exceed their annual allotment as specified in the attached spreadsheet. Senior judges are required to provide trial courts a statement of service to assist courts in tracking senior judge usage. Additionally, the Senior Judge Portal provides up to date data on senior judge day usage for each court. The Court encourages judges to make use of these resources to track their usage of senior judges.

The practice of exceeding a court's senior judge allotment without first seeking additional days should be avoided whenever possible. **Unless exceptional circumstances prevent doing so, requests for additional days must be submitted prior to the court exceeding its annual allotment. Requests for additional senior judge service days made after the court's allotment has already been exceeded may be denied.** Judges wishing to request additional allotments must contact Heather Falks, in writing, providing detailed information on new or changed

circumstances necessitating additional senior judge service days. Additional allotments will not be made prior to March 1, 2024, unless there is an urgent need demonstrated.

Coverage of Suspensions. Senior judges may be used to cover suspensions that occur because of a disciplinary action. It is the suspended judge's responsibility to coordinate coverage of their suspension with the eligible pool of senior judges. It is also the senior judge's responsibility to ensure that their court has the requisite number of senior judge days to cover the suspension and to request additional days if necessary to cover the entirety of their suspension. A suspended judge will be required to use any remaining senior judge days from their 2024 allocation prior to being granted additional days to cover a suspension; then upon request additional days will be granted to cover the remainder of the suspension. The Court will not automatically grant requests for additional senior judge days for vacation or other personal matters following a suspension.

Judicial Conference Annual Meeting. Pursuant to Indiana Code section 33-38-9-3, senior judges are members of the Judicial Conference of Indiana. **During the Annual Meeting of the Judicial Conference, senior judges are asked to prioritize assisting active Judicial Conference members by covering their courtrooms to allow those judicial officers to attend the Annual Meeting.** If, however, a senior judge is not covering court for another Judicial Conference member, their attendance at the Annual Meeting is expected. Senior judges who attend the Annual Meeting will receive mileage reimbursement and senior judge credit for their attendance.

Senior Judge Portal. The Senior Judge Portal is available via the INCite application. The Portal can be accessed by logging in to INCite. Once logged-in, the Portal should appear on the right-hand side of your dashboard. The Portal contains a profile providing the contact information, experience, and preferences for each senior judge. If the Portal does not appear on your INCite account, please contact Heather Falks.

IT IS, THEREFORE, FURTHER ORDERED that each court may use the number of senior judge days specified in the attached spreadsheet without any additional request to this Court. In those counties with unified courts and authority vested in the chief judge to allocate senior judge service days, the total number of senior judge service days allocated to the unified courts may be assigned by the chief judge to the various courts without reference to the limitations imposed upon individual courts by this Order. All such reassignments of senior judge service days shall be reported to the Chief Administrative Officer by emailing Heather Falks.

IT IS FURTHER ORDERED that the Court of Appeals and the Tax Court may utilize such senior judge service days as is reasonably necessary to conduct the business of those courts.
